Message from The Director's Desk

Dear Readers,

As we mark the completion of the first quarter of our academic year, which began in April with the auspicious Satarambh Hawan Ceremony, we are thrilled to present this latest edition of our school newsletter. This issue celebrates the creativity, achievements, and aspirations of our vibrant school community, and heralds a new beginning filled with opportunities for growth, learning, and discovery.

In this edition, we proudly highlight the outstanding board results of the academic year 2023-2024. Congratulations to our students for their remarkable performance and to the dedicated teachers who guided them. We are confident that the current batches of X and XII will continue this tradition of excellence and surpass expectations in their academic endeavours.

We also bring you heartfelt glimpses into the celebrations of Founder's Day, held on June 25, 2024. This event honored the dedicated services of our esteemed staff members, whose unwavering commitment to education and our school community is truly commendable.

Within these pages, you will find stories that resonate with the essence of our values, capturing moments of joy, perseverance and triumph. Our students and staff have poured their hearts into every piece, and their dedication shines through in the vivid accounts and artistic expressions.

We hope you take pride in being part of our community as you immerse yourself in this artistic journey. The pages of this newsletter are more than just a medium of communication; they are a canvas reflecting the vibrant pulse of our school life. May the inspiration within these pages spark new ideas and adventures, and may you find joy and pride in the collective spirit that binds us together.

So, flip through these pages with delight and discover the stories that make our school truly exceptional. We hope you have a great time exploring and celebrating the remarkable achievements and milestones of our students and staff.

Warm Regards
Rajjath Goel
(Director)

Message from The Principal's Podium

Dear MRGians,

As we proudly unveil Volume 1 of the MRG BITS, our School Newsletter, we extend our heartfelt congratulations to the Class X and XII students for their stellar board results. Your dedication and hard work have truly shone through, making us all immensely proud.

Our recent 12th Founder's Day celebration was a magnificent event, embodying the spirit and ethos of MRG. It marked the culmination of a successful academic year 2023-24, filled with achievements, learning and growth. From the enriching curriculum to the dynamic extracurricular activities, the year has been a tapestry of holistic development and triumphs.

MRG BITS is not just a newsletter, it is a platform to showcase the creativity, events and celebrations that make our school unique. As you flip through its pages, you will encounter the essence of MRG—a blend of academic excellence, personal growth and a strong sense of community.

Dear MRGians, as we commence the 2024-25 academic session, let this quote by the renowned educationist John Dewey resonate in our hearts and minds: "Education is not just about learning facts but fostering curiosity, adaptability, and a passion for positive change." Let this academic year be not just about what you learn within the four walls of a classroom but also about cultivating a mindset that embraces curiosity, adaptability and a passion for making a positive impact.

We wish you an inspiring journey through the magazine and the academic year ahead.

Enjoy the read!

Warm Regards
Ms. Anshu Mital
(Principal)

Celebrating Excellence In Education

MRG School has been honored with **India's Best School Award**, achieving an exceptional **AAAA+ ranking by Career 360**. This prestigious recognition highlights MRG School's commitment to excellence in education, fostering an environment where students thrive academically and personally. The award underscores the school's dedication to delivering top-tier education, setting a benchmark for others to follow.

MRG School has been awarded the coveted **Aesthetics School Awards 2024** by Learning Feet in the 'Cultural Exchange and Community Engagement' category. This distinguished accolade celebrates MRG School's exceptional commitment to promoting cultural understanding and active community involvement, enriching students' experiences and cultivating a vibrant, inclusive environment that transcends traditional academics.

MRG School is honored to receive the prestigious **Green Award**, a testament to its steadfast dedication to sustainability. Through innovative initiatives and a relentless commitment to environmental stewardship, the school has inspired a generation to adopt eco-conscious practices.

Ms. Sanjana (PGT Commerce) and **Ms. Harshita (PGT Psychology)** were lauded by "**Urjaa**," the Global Principals Association, in partnership with Rishihood University. This distinguished event extolled their exceptional contributions to student empowerment and academic excellence, acknowledging their unwavering dedication and profound influence in shaping the future of young minds.

Ms. Yashica Grover, MRG School's esteemed Social Science teacher, was prominently featured on Radio FM 104.8. In the segment "Civics Fatafat," she posed daily thought-provoking questions on Political Science during the elections, showcasing her expertise and passion for civic education.

MRG School is delighted to announce the exceptional achievement of **Vedant Goyal** of Grade X, securing 12th Rank in the MVPP (Mukhyamantri Vigyan Pratibha Pariksha). Vedant is warmly congratulated for his exemplary performance! We extend warm wishes to him for continued success in all his future endeavors, as his dedication and talent continue to shine brightly at MRG.

Uday Chawla, the budding cricketer of MRG, scored a dazzling 88 runs in just 39 balls, including 10 fours and 7 sixes. MRG School wishes the rising star in making continued success on his meteoric rise in cricket!

"Urjaa", in collaboration with Rishihood University, hosted an esteemed event to honor top-performing CBSE students of the academic session 2023-24. The gathering celebrated these achievers for their exceptional academic performance, acknowledging their dedication and outstanding achievements in their studies.

Satanambh

The new academic session at MRG School began with a Havan Ceremony on Monday, April 1st, 2024, symbolizing fresh hopes and boundless opportunities. The ceremony, conducted under the esteemed guidance of Acharya Parmanand Bhardwaj, a distinguished scholar and professor at Shri Lal Bahadur Shastri Rashtriya Sanskrit Vishwavidyalaya, infused the school premises with an aura of piety and reverence. Students and staff gathered to seek sacred blessings, and the distribution of divine prasad further enriched the spiritual atmosphere. This auspicious start set a tone of positivity and devotion for the academic year ahead.

*The Auspicious
Beginning of 2024-25*

COMMUNITY COMPASS

The Labour Day celebration at MRG School was a resounding success, effectively combining community service with entertainment. The ration collection drive demonstrated the students' willingness to contribute positively to society, while the Tambola game session added an enjoyable and interactive dimension to the celebration. Through these activities, students gained a greater appreciation for the labour force and the importance of their contributions to society. The event also instilled values of empathy, generosity, and social responsibility in the students, providing them with a well-rounded and meaningful experience.

LABOUR DAY

PLANTATION DRIVE

MRG School organized a vibrant "PLANT FOR OXYGEN" initiative on World Environment Day, where students and parents passionately planted trees for a greener future. This event aimed to foster eco-consciousness and promote sustainability among participants, nurturing a community dedicated to environmental stewardship and ensuring a sustainable tomorrow.

The Toy Donation Drive at MRG School was an overwhelming success, demonstrating the generosity and community spirit of our school. The drive successfully collected a significant number of toys, including stuffed animals, board games, and educational toys. These toys were subsequently donated to the NGO Toy Bank, ensuring they will bring joy to many underprivileged children. This initiative not only brought joy to underprivileged children but also taught our students valuable lessons in empathy and social responsibility, making it a truly rewarding experience for everyone involved.

TOY DONATION

The Kaleidoscope of Knowledge

We warmly welcomed our adorable Nursery kids to MRG School! This marked the start of an exciting journey brimming with laughter, learning, and new friendships. From colorful crafts to playful games, our young learners embraced their first day with joy and curiosity, setting the stage for a year filled with growth, exploration, and endless adventures!

Welcome Joy!

Baisakhi Celebrations: Embracing Joy and Tradition

Our elementary classrooms buzzed with Baisakhi cheer. Dressed in traditional attire, students immersed themselves in colorful crafts and lively performances, celebrating the harvest festival's rich heritage with gusto.

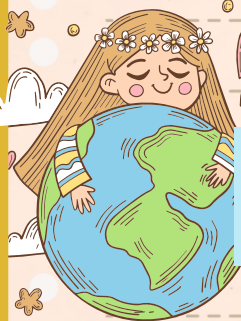

Creative Bees

Our nursery students celebrated Honeybee Day by crafting adorable honeybees. They learned about the importance of honeybees in our ecosystem and the role these tiny pollinators play in nature.

Doodle and Fun

Our nursery students participated in the 'Mat Man' activity, enhancing their fine motor skills and imagination. These young artists unleashed their creativity, enjoying a splash of colors.

Earth Day: Pledging for a Greener Tomorrow

MRGians celebrated Earth Day with creative and immersive activities that showcased their love for Mother Earth. Embracing the theme "Planet vs. Plastic," students pledged to reduce plastic usage and protect the environment. Their commitment was solidified as the entire school wrote resolutions in a special book, vowing to promote sustainability and ensure a greener future for generations to come.

International Family Day: Celebrating Bonds

In celebration of International Family Day, our students embarked on a heartwarming journey to explore their roots. They created beautiful family trees, adorning them with cherished photos of their loved ones. This creative activity not only allowed them to showcase their artistic skills but also deepened their appreciation for family bonds and heritage.

Apple Artistry

Our nursery children celebrated Red Color Day with an imaginative exploration of apples, creating delightful artworks! This hands-on activity fostered creativity and fine motor skills, leaving our little artists beaming with pride over their charming apple creations.

Laughter Crafts

On World Laughter Day, our nursery students crafted cheerful emojis, celebrating laughter and sharing joy with each other.

Leap and Learn

Our nursery students engaged in the 'Let's Jump Together' activity, enthusiastically exploring the concepts of 'in' and 'out'. This activity not only helped the budding learners enhance the concept of 'in' and 'out' but also helped in developing their fine motor skills.

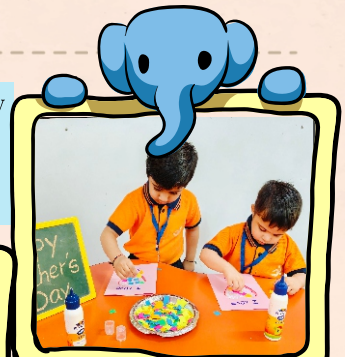

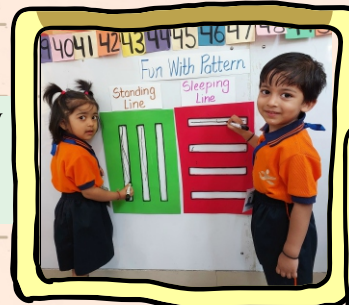

Mother's Day: Crafting Love

To honor Mother's Day, students created heartfelt crafts to show their love and appreciation for their beloved mothers. Each handmade gift was a testament to the affection and gratitude they hold for their mothers.

Pattern Play

Exploring the ABCs of lines and patterns, our nursery students transformed walls into canvases with their creative sleeping and standing formations.

Red Day Fun

Diving into the vibrant world of red, our nursery kids celebrated Red Colour Day with boundless energy and excitement. Dressed adorably in red, they engaged in crafts and games that highlighted this lively color.

Number Express: Math Adventure

Our nursery learners hopped aboard the Number Express for an exciting mathematical journey, where they built number sense and problem-solving skills as they explored numbers in a fun and interactive way.

Sudsy Science: Soap and Pepper Experiment

In Sudsy Science, young scientists embarked on an exciting exploration of soap's germ-fighting power, engaging in a hands-on experiment that sparked curiosity and learning about the importance of hand hygiene.

Maternal Marvel: Mother's Day Tribute

In Maternal Marvel, kindergartners celebrated the unconditional love and nurturing spirit of mothers around the world, honoring them with heartfelt tributes and gestures of appreciation that warmed the heart.

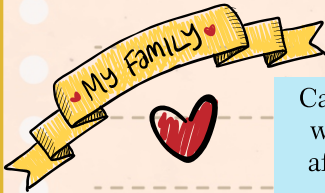

Color Carnival: Vibrant Learning Experience

Our little learners dived into a kaleidoscope of colors with our Color Carnival Activity. The learning burst into life amidst a rainbow of hues, ignited creativity and exploration in our little learners.

Earth Embrace: Eco Awareness

In Earth Embrace, students engaged in a range of eco-friendly activities that promoted environmental awareness and conservation, fostering a deeper connection to nature and a commitment to protecting our planet.

Family Portrait: Love and Gratitude

Capturing the essence of family in our Family Portrait activity, where kindergartners expressed their deepest gratitude and affection for their loved ones, creating heartfelt tributes that celebrated the bonds of love and togetherness.

First Steps: Academic Adventure Begins

Setting foot on the path to academic adventure in First Steps, where MRGians embarked on a journey of discovery and learning, embracing new beginnings with excitement and enthusiasm as they started a new academic session.

Fluent Flyers: Word Challenge

Our young fluent flyers glided through fluency challenges, decoding words with skill and precision, enhancing their literacy skills in an engaging and interactive way.

Global Groove: Dance Diversity Showcase

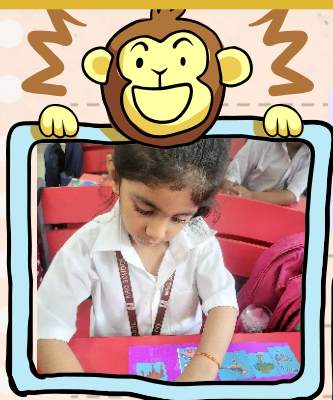

In our Global Groove display, little dancers celebrated the art of dance from around the world. They showcased their passion and talent in a vibrant display of cultural diversity and unity.

Vowel Voyage: Language Discovery

Exploring the world of vowels, little MRGians embarked upon a voyage of language discovery through a Vowel Voyage activity. This added onto their phonetic awareness and language proficiency.

Living vs Non-Living Adventure

In the Living vs. Non-Living Adventure, first graders explored and categorized objects by examining characteristics such as growth and response to the environment, learning to distinguish between living organisms and non-living objects.

Plant Parts Discovery

Plant Parts Discovery introduced first graders to the various parts of a plant. Through hands-on activities, students learned the functions of roots, stems, leaves, and flowers, enhancing their knowledge of plant biology.

आओ खेले 'आ' से

इस गतिविधि का उद्देश्य पहली कक्षा के बच्चों को 'आ' अक्षर और उससे शुरू होने वाले शब्दों को पहचानने, उच्चारण करने और लिखने में मदद करना था। इस गतिविधि ने भाषा कौशल, पहचान क्षमता और शब्दावली का विकास करने में मदद की।

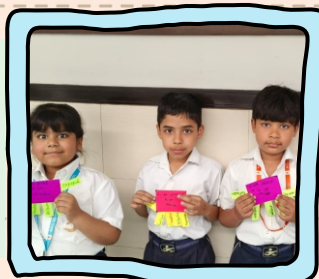

Base-10 Bundling Bonanza

In the Base-10 Bundling Bonanza, first graders grouped objects to grasp the principles of place value. This hands-on activity enhanced their understanding of the base-10 system, laying the foundation for more complex mathematical concepts.

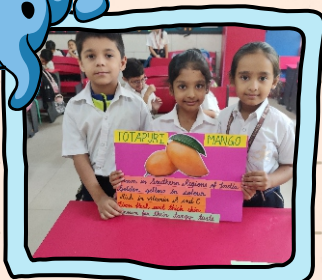

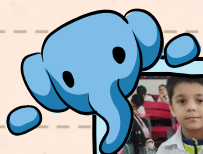

Exploring Learner Attributes

Grade II learners delved into understanding key attributes such as confidence, creativity, reflectiveness, innovation, and engagement. Through collaborative reflection, they collectively crafted beautiful samples exemplifying these attributes, fostering a deeper appreciation for their personal growth and development.

Family Tales: Our Loved Ones

Grade II students participated in Family Tales: Our Loved Ones, sharing stories about their families. This activity boosted their confidence in public speaking and helped them appreciate different family structures. By talking about their loved ones, students learned to express their feelings and understand the importance of family.

Mango Mania: A Summer Fiesta

Students savored the taste of summer at Mango Mania, where they indulged in a feast of mango delights and fruity fun. This vibrant event kicked off the holiday season with sunshine and sweetness, leaving lasting memories of tropical bliss.

मात्राओं का ज्ञान

मात्राओं की रंग-बिरंगी घड़ी को मात्राओं और रंग से सजाकर कक्षा ३ के छात्रों ने कलात्मक अभिव्यक्ति द्वारा प्रस्तुत किया।

Clip onto Hanger

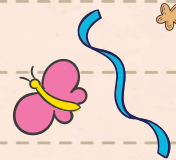

Learners of Grade III envisaged and learnt addition by deploying the clothespins and hangers. Through this activity, they witnessed the addition process in action, making it easier for them to grasp and apprehend the concept. This hands-on activity reinforced basic math skills in an amusing and engaging way.

Fun with Science

Our young Grade III scientists engaged in an experiment titled- 'Can the plants grow in the dark?', wherein they observed a plant for five days and documented outcomes along with deductions. This investigation facilitated in enhancing their reflection skills.

Nature Stroll

Taking a stroll in the great outdoors, students of Grade III were given an opportunity for pragmatic knowledge. Wandering through the sprawling meadow, they were able to differentiate between living and non-living things, as well as clearly notice the parts of a plant.

Alive or Not Alive

An interactive poster making activity was conducted for Grade III students wherein they classified living and non-living things as 'alive' and 'not alive'. The ingenious spectacle of the posters echoed the enthusiasm and intellectual skills of our learners.

Foliage Study

Empowering the students to indulge in inquiry, an activity was carried out for Grade III that required them to label the leaves based on their shapes, sizes and uses. This activity not only heightened identification, but also endorsed observation skills.

Imaginative Leaflet Adventures

Grade IV learners showcased their ingenuity by designing leaflets for several occurrences, from Holi to other festivals and events. Each leaflet seized the essence of the occasion, itemizing activities, timings and venues, reflecting the students' understanding and artistic flair.

Flip Flop Romans

Learners of Grade IV engaged in an enjoyable art integrated activity wherein they revisited Roman and Hindu Arabic numbers using small flip flop slip cutouts. This activity propelled students to learn more about roman numbers.

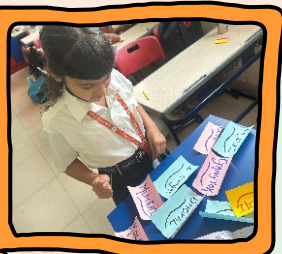

Skeletal Structure

Grade IV learners ardently fashioned a skeleton model using pasta shells that appeared to be an anatomical masterpiece in miniature. The students found this activity highly engaging and could easily relate it to a human skeleton.

Flashcards Featuring States

Augmenting their geographical awareness through a collaborative and gratifying technique, students of Grade IV prepared states' flashcards, writing names of states on one side and their capitals on the other. Shuffling and matching these flashcards gave pupils an opportunity to actively memorize information.

मेरी प्यारी माँ

माँ का प्यार निःस्वार्थ और अनमोल होता है। यह वो प्यार है जो किसी शर्त पर आधारित नहीं होता। कक्षा ५ के सभी छात्रों ने अपनी माँ के प्रति समर्पण और सम्मान की भावना को कोलाज गतिविधि के द्वारा प्रस्तुत किया।

हिंदी व्याकरण वृक्ष

कक्षा ५ के सभी विद्यार्थियों ने व्याकरण की विस्तृत अध्ययन से पूर्व व्याकरण वृक्ष को बनाया और व्याकरण के सभी विषयों को उसमें अलग-अलग आकृति के माध्यम से लिखकर सजाया।

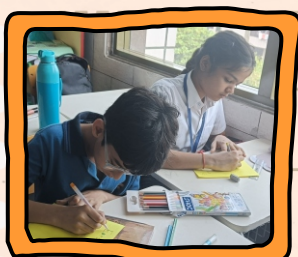

Small Actions, Big Impact

Our Grade VII students created vibrant posters to celebrate Earth Day, reminding us that small actions lead to significant change. Their creativity and ideas proudly marked the first step towards a sustainable future, inspiring everyone to treat every day as Earth Day.

Sustainability Starts with Us

Our Grade VIII students crafted a compelling poster to highlight the significance of Earth Day. Their message underscored how small actions can lead to big changes. By designing and sharing their ideas, they embarked on the journey towards a more sustainable future.

Spiral Root Construction – Where Math and Creativity Intersect!

Using mathematical concepts and their artistic skills, Grade IX students crafted interesting spiral roots, each inspired by a unique theme. Our students not only embraced their artistic talents but also delved into the wonders of mathematics through this art integrated activity.

ENGLISH WEEK

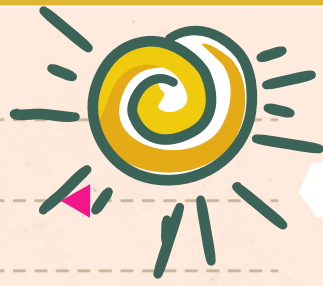

MRG School celebrated English Week with great enthusiasm, from April 22nd to April 26th. The event aimed to enhance students' language skills and foster a love for literature through a variety of activities. The week began with an enchanting cinematic adventure followed by reflective reviews by students. Subsequent days featured activities like Puzzles & Spell Bees, Ad Mad Show, Poetry Recitation, Monologue Marvels and DEAR session.

The culmination of English Week was marked by a vibrant exhibition showcasing the creativity and talent of the students. Each exhibit reflected the hard work and enthusiasm of the students, highlighting their proficiency in the English language and their ability to express themselves creatively. The exhibition not only celebrated the students' achievements but also fostered a sense of community and pride among all attendees. Overall, English Week was a resounding success, promoting language learning and community spirit among the students.

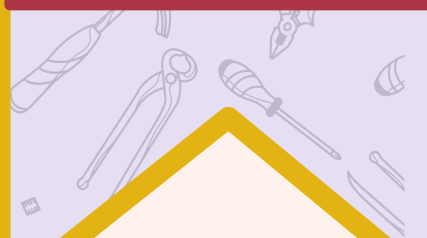

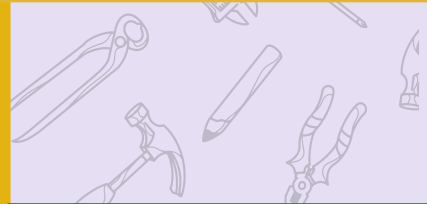

SUMMER CAMP

The Summer Camp at MRG School was a vibrant and enriching experience for students, offering a diverse range of activities to cater to various interests. Dance sessions allowed students to express themselves creatively and improve their coordination, while music classes provided a platform to explore different instruments and vocal techniques. Swimming lessons not only helped students cool off in the summer heat but also taught them valuable life skills. Badminton and cricket sessions promoted teamwork and physical fitness, fostering a spirit of healthy competition. Additionally, skating activities were a hit, enhancing balance and agility. Overall, the camp was a perfect blend of fun and learning, leaving students with cherished memories and new skills.

Founder's Day

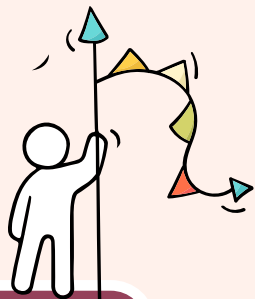

Timeless Tidings

On June 25th, MRG School joyously commemorated its 12th Founder's Day, an occasion filled with fervent celebration and heartfelt gratitude.

The esteemed Mr. Nishant Yadav, IAS of the Haryana Cadre, graced the event as the revered chief guest, alongside distinguished school dignitaries. The day was dedicated to honoring the enduring legacy of the late Shri Mange Ram Goel, showcasing captivating cultural performances that mesmerized the audience.

The contributions of outstanding achievers, as well as the diligent administrative and support staff, were recognized and celebrated. The event was imbued with a profound sense of history, triumph and inspiration, encapsulating the school's enduring spirit and commitment to excellence.

A Toast to Togetherness

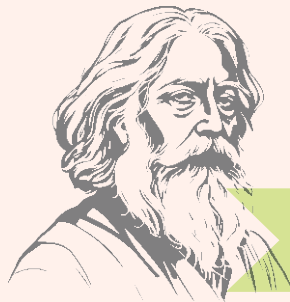

Baisakhi

The Baisakhi celebration at MRG School was a delightful event, especially with the tiny tots dressed in vibrant fancy dress costumes. The young children, adorned in traditional Punjabi attire looked absolutely adorable. Their enthusiastic participation added a charming touch to the festivities as they paraded around, showcasing their outfits, and even performed a few simple dance steps to the lively beats of Bhangra music. This celebration not only provided a fun and engaging experience for the children but also helped them connect with and appreciate their cultural heritage from a young age.

International Dance Day

On April 29, our school celebrated International Dance Day with an enthusiastic showcase of talent and creativity. The event aimed to highlight the importance of dance as a universal language that strengthens unity and self-expression. Students from various grades took to the stage, presenting a diverse range of dance styles. Each performance was met with cheers and applause, creating an uplifting atmosphere. Overall, the International Dance Day celebration was a tremendous success, fostering school spirit and showcasing the immense talent within our student body.

Rabindranath Jayanti

MRG school celebrated Rabindranath Jayanti with an immersive event dedicated to the life and works of the great poet, philosopher, and Nobel laureate, Rabindranath Tagore. The event aimed to honour Tagore's legacy and engage students in exploring his stories and contributions to literature and culture. Students dived into Tagore's rich collection of stories through various engaging activities in the library. Few lesser-known stories of Tagore were narrated by students followed by discussions on their moral and cultural significance. The event provided a platform for students to immerse themselves in Tagore's literary world and understand his enduring legacy.

Football Match

MRG School proudly hosted Ryan International School for an exhilarating friendly football match. The event showcased remarkable skill and sportsmanship from both teams, creating an unforgettable experience for all participants and spectators.

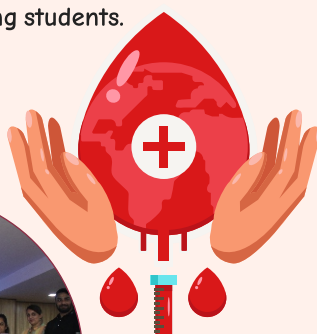

World Athletics Day

On May 7, our school proudly celebrated World Athletics Day, promoting fitness, teamwork, and sportsmanship among students. The day began with an inspiring assembly where the importance of athletics in personal development and health was highlighted. Students participated in various athletic events, including sprints, relays and a football match. The competitions were organized by grade level, promoting friendly rivalry. These events aimed to inspire students to pursue athletics beyond the classroom. Overall, the World Athletics Day celebration was a resounding success, instilling a sense of community and a love for physical activity among students.

Red Cross Day

On May 8, MRG school celebrated Red Cross Day with a unique and innovative initiative: "Book Hospital" organized by the students. This event aimed to embody the spirit of the Red Cross by promoting community service and care within the school. Throughout the day, students worked diligently to mend torn pages, reattach covers, and restore the books to a reusable condition. This hands-on activity not only revived the school's book collection but also taught students valuable lessons in resourcefulness and the importance of preserving literature. It effectively combined practical skills with the ethos of the Red Cross, stimulating a sense of responsibility and community spirit among students.

Cricket Tournament

MRG School hosted an exhilarating four-day cricket camp that left young talents buzzing with excitement and newfound skills. Under the expert guidance of Ravi Churi, a selector for the ISPL and a certified coach with the Mumbai Cricket Association, the camp was an extraordinary opportunity for aspiring cricketers.

Earth Day

Earth Day at MRG School was a vibrant and educational celebration, filled with activities that underscored the importance of environmental stewardship. Students from all grades participated in a variety of events, including planting trees in the school garden, creating art projects from recycled materials, and engaging in lively debates on sustainability and conservation. Teachers integrated environmental themes into their lessons, encouraging students to think critically about their impact on the planet. This celebration not only raised awareness about environmental issues but also inspired the entire school community to commit to more eco-friendly practices year-round.

Celebrating Connections

At MRG, we celebrate the invaluable partnership between parents and our institution, driving children's growth and development. Through vibrant events such as Orientation Day, Mother's Day, International Yoga Day, and Father's Day, the school has crafted a tapestry of engagement. Our dynamic programs and joyful celebrations have strengthened the parent-child bond, enriching the educational journey with shared experiences and meaningful connections.

The Learning Triangle: Staff and Students in Action

TEACHERS

SEL Leadership Program 2024

Shri Educare, in collaboration with IIM Ahmedabad, hosted an SEL Leadership Program attended by our esteemed Principal, Ms. Anshu Mittal, and our Academic Coordinator, Ms. Pallavi Jain. The workshop, led by distinguished IIM faculty, addressed various aspects of leadership, including creating a positive school environment, cultivating inner stability, and incorporating AI into education. The workshop's key takeaways included advantages for our school community, improvement of the overall educational experience, and promotion of positive change.

Promoting Sports & Physical Education in CBSE Schools

A conference for promoting Sports & Physical Education in CBSE Schools was held at the PHD Chamber of Commerce & Industry in New Delhi, in collaboration with SPEFL-SC (Sports and Physical Education Foundation for Leadership and Social Change) which was attended by our school's sports facilitator Mr. Kunal Anand and the Senior School Coordinator Ms. Ruchi Gupta. The symposium was headed by a panel of speakers including Dr. Kiran Bedi, and CBSE Secretary, Joseph Emmanuel. The significance of sports in the holistic development of students was discussed at length, highlighting its contribution in both physical fitness and mental well-being.

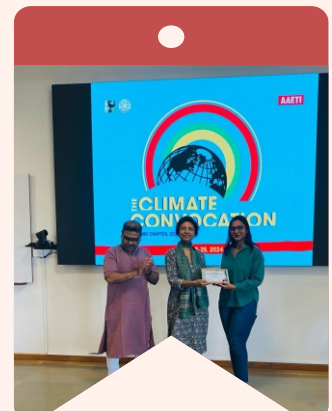

AI in Classrooms

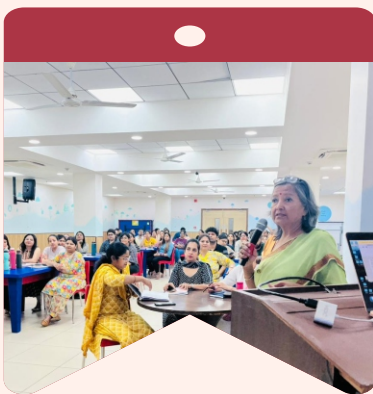

Teachers of MRG took part in a workshop at Sachdeva Public School, Rohini, on the use of artificial intelligence in classrooms. The session focused on how AI keeps students involved and striving through interactive and adaptive learning material, which eventually prepares them for impending prospects. Direction related to AI-driven tools and AI-educational abilities, and the role they can play in developing essential cognitive skills, as well as acquiring soft skills among learners was also stressed upon. Participants were counseled to utilize AI in order to comprehend student needs and tailor their teaching methods accordingly.

The Climate Convocation

Ms. Pooja Goel actively participated in a three-day workshop organized by the Centre for Science and Environment, upon successful completion of CSE-GSP online course on climate change. The Climate Convocation at GSP provided a platform for promoting environmental education and fostering critical thinking, enabling individuals to recognize the urgency of climate action and advocate for collective solutions at local, national, and global levels. Highlights of the workshop included the eco-friendly designed campus of AAETI, Nimli, and biogas production at the campus, organic and sustainable farming. The participants were encouraged to build their knowledge on climate change, and carry this knowledge to the classrooms.

The Wellness Workshop

Focusing on the impact of stress on both body and mind for both facilitators and learners, Ms. Neelam Srivastava, an SEL Expert, led a workshop to provide guidance on stress reduction techniques such as journalizing, self-care routines and forgiveness. Several case studies were examined through a group activity, illustrating strategies for managing stress-related issues in everyday classroom situations.

Foundational Literacy and Numeracy

In a recent workshop led by Ms. Nanu Rekhi, for our elementary school teachers, the focus was on the essential 3 Rs—Reading, Writing, and Arithmetic—as well as the concept of Panchakosha Vikas, which encompasses five areas of development in the foundational years of learning. The facilitators were also introduced to the key aspects of early language and literacy development, and then provided with various strategies to enhance students' communication skills. The session was highly informative.

Igniting Curiosity and Nurturing Creativity

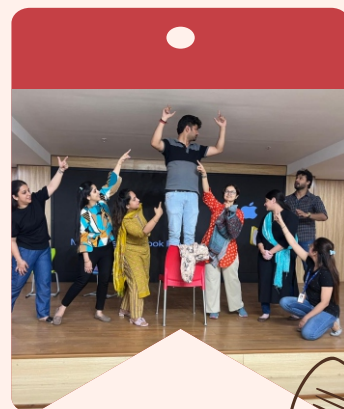

Ms. Meenu Chopra led a workshop that highlighted the connection between curiosity and creativity as crucial elements in the learning process. Focusing on exploration and design thinking, the session highlighted the importance of maintaining curiosity among learners, as it keeps them engaged and can lead to improved scores. The session concluded with a group discussion on how creativity can spark the acquisition of knowledge.

Theatre in Eduaction

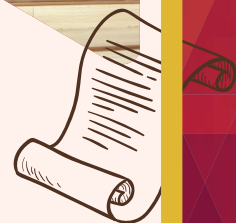

An exceptionally engaging theatrical workshop was conducted by Mr. Mayank Hashmi, Director of Kalamanch, to demonstrate how theatre can be integrated with education.

Under his guidance, different methods for presenting characters and scenes were explored, through a series of theatrical presentations delivered by our facilitators. The session was a delightful mix of fun and learning.

Inquiry Based Learning

Focusing on the principles of inquiry-based learning, Ms. Sumana conducted an insightful workshop on key concepts in cognitive development characterizing inquiry as a 'think-pair-share' method. The facilitators gained insight into the five types of inquiry and the students' roles in the learning process. The importance of using a constructivist approach, guided learning, and group discussions were also highlighted.

STUDENTS

Youth Speak Forum

The young and inspiring students of class X to XII participated in the Youth Speak Forum (YSF) 2024 organised by AIESEC in Delhi IIT in collaboration with CAIC, Academic Outreach and New Initiatives at IIT Delhi. The visit was not only memorable but also an extraordinary and interactive learning experience for the students.

Anti-Doping Awareness Program

Grade XI and XII Physical Education students of MRG attended a webinar, conducted by the National Anti-Doping Agency (NADA), led by Mr. Bhupinder Singh that aimed to build mindfulness among the participants regarding anti-doping measures and regulation in sports. The intricacies of sample collection, testing procedures, and consequences of positive results were discussed comprehensively along with importance of fair play and integrity in sports. A meticulous conversation on Anti-Doping Rules Violations (ADRVs) ranging from intentional doping to inadvertent consumption of prohibited substances, were also addressed.

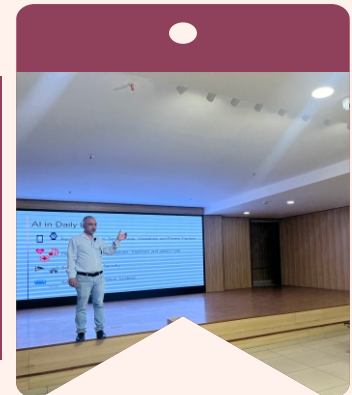

Education USA

Grade IX to XII students of MRG gained insights into the fundamental elements for seeking admissions in US Universities, along with the application process, diverse scholarships and skills to shortlist the appropriate institutions. The workshop also enlightened the students about the intricacies of obtaining student visa and essential steps for pre-departure readiness and settling in the U.S.

Exploring Opportunities in AI

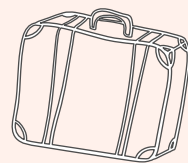

The senior school students of MRG were introduced to basic AI concepts including machine learning, natural language processing, and computer vision through a workshop led by Mr. Rahul Verma. Aiming to build a strong foundation in AI and inspiring students to identify emerging job roles or industry trends in this rapidly evolving field, the session also highlighted the ethical considerations and societal impacts of AI. Information was also shared about various fields where AI is applied, such as healthcare, finance, entertainment, automotive, and more, helping them understand the breadth of career options available.

Opportunities for Higher Education

In an informative and engaging career counselling workshop headed by Dr. Pramath Raj Sinha, the students of class XI had an opportunity to explore a wide range of career options. Dr. Pramath accentuated the significance of setting SMART (Specific, Measurable, Achievable, Relevant, and Time-bound) goals to construct a roadmap for success in their chosen careers. Furthermore, the students were made acquainted with approaches to overcome common challenges in the job market and received personalized guidance on career goals and aspirations through one-on-one sessions.

Adventure

awaits those who seek knowledge beyond the

Classroom.

Exploring the Cosmos

Our MRGians embarked on a spectacular journey to Sariska Astroport, diving deep into the intricate world of constellations and the universe. This enlightening adventure sparked their curiosity, offering hands-on learning and a unique connection to science in a real-world context. It was an extraordinary experience that brought the wonders of the cosmos to life.

Lights, Camera, Action!

Our school organized an unforgettable movie time at PVR Prashant Vihar for the learners of Nursery to II. The Paw Patrol movie captivated the students, offering a delightful break from their daily routine. Enjoying popcorn and giggling with laughter, they returned with faces aglow and smiles that shone brightly.

Discovering Nature's Bliss

The Chail trip for MRG students in grades VI-X was an exhilarating 3-day, 4-night adventure brimming with excitement and fun! Thrilling activities and educational experiences created unforgettable moments. Students dove into learning while enjoying every bit of the journey, forging stronger friendships and creating cherished memories.
