Message from the **Director's Desk**

Dear MRG Family,

Education is about discovering purpose, building character and helping every child reach their full potential. Reflecting on our collective journey, I am filled with immense pride for the vibrant community we continue to build together at MRG School- a community where every effort is driven by our shared belief in continuous growth.

This spirit of constant elevation is what truly defines us. In our previous edition, we celebrated monumental academic milestones with our 100% CBSE Board results and the extraordinary success of our NEET Achievers. Building directly upon that benchmark, this edition has seen our achievements expand across a far broader spectrum. Our students have continued to shine brightly in competitive sports, bringing home top honors, podium finishes and state-level selections across various disciplines. Beyond the athletic arena, our learners have showcased their creative, technological and intellectual capabilities through exceptional wins at regional exhibitions, forums and multi-school competitions.

Equally inspiring is the future path our graduating students are carving for themselves. Through their hard work and rigorous academic guidance, our alumni have secured placements in top higher education institutions, gaining entry into prestigious universities and sought-after professional programs across the country.

This culture of excellence is seamlessly woven into the daily life of our school. Hand in hand with these competitive and academic triumphs, the spirit of our institution truly comes alive during our collective celebrations. The values of unity, gratitude and respect shone through as our entire school community gathered to mark significant cultural observances, honor our elders, pay tribute to our educators and celebrate the rich heritage that binds us together.

Behind every milestone is an unwavering pillar of support. Through continuous professional development for our faculty and strong partnerships with parents, we remain fully committed to providing a dynamic environment that empowers every child to excel academically, athletically and personally.

As you flip through the pages of this edition, you are witnessing the interconnected stories of passion, perseverance and triumph that make up our school family. Let us continue to strive for excellence together, remaining deeply rooted in our core values as we celebrate every step of our students' journey.

Warm Regards
Mr. Rajjath Goel
(Director)

MR. RAJJATH GOEL

Message from the **Principal's Podium**

MS. ANSHU MITAL

Dear MRGians,

A school's journey is not measured merely by the milestones it reaches, but by the lives it touches, the minds it awakens and the possibilities it inspires. As we present the second volume of MRG BITS, I am filled with immense pride and gratitude as I reflect upon another vibrant chapter in the MRG journey—a chapter enriched by learning, leadership, celebration, creativity and a strong sense of community.

At MRG School, we believe that education extends far beyond the boundaries of the classroom. Every experience, every interaction and every opportunity to participate contributes to shaping a confident, responsible and compassionate individual. Our endeavour, therefore, remains steadfast—to create an environment where academic excellence goes hand in hand with character, creativity, collaboration and compassion.

The year has been a celebration of learning in its truest and most meaningful form. From classrooms and laboratories to sports fields, stages and skill-based activities, our students have continued to explore, experiment, create and collaborate. Every achievement—academic, sporting, artistic or co-curricular—is a reflection of their determination, perseverance and enthusiasm, strengthened by the unwavering support of our teachers and parents.

This year our school was also enriched by moments that brought the MRG community together. The induction of our new Student Council members reflected our commitment to nurturing leadership, responsibility and democratic values among our young learners. Our celebrations, including Teachers' Day and Janmashtami, reminded us that a vibrant school community is built not only through learning and achievement, but also through gratitude, tradition, joy and togetherness.

Yet, while accomplishments may find their place in the pages of a school magazine, the values behind those accomplishments are what truly define us. At MRG, we strive to nurture young individuals who are knowledgeable yet humble, confident yet compassionate, ambitious yet responsible. We encourage our students to embrace challenges, respect diversity, celebrate one another's achievements and recognise their responsibility towards society and the world around them.

As you turn the pages of this second volume of MRG BITS, you will discover a rich tapestry of experiences—moments of achievement, leadership, celebration, creativity and togetherness. Every photograph and every story captures a moment in time; together, however, they tell a larger and more meaningful story—the story of young minds discovering their potential, finding their voices and growing within a caring, inclusive and dynamic community.

As we continue this inspiring journey, may we remain guided by curiosity in our minds, compassion in our hearts and courage in our actions. May our students continue to dream fearlessly, lead responsibly, celebrate wholeheartedly and learn from every experience.

Warm Regards
Ms. Anshu Mital
(Principal)

Celebrating Excellence in Education

Savitribai Phule Samman: A Monumental Apex of National Honour

Our revered Principal, Ms. Anshu Mital, has been honored with the esteemed Savitribai Phule Samman 2026. This award, presented by Indraprastha School Sahodaya & Delhi Sahodaya Schools Complex, celebrates her remarkable contributions to educational initiatives. It recognizes her as a pillar of excellence, fostering a nurturing and collaborative environment that continues to elevate learning and holistic development within our community.

Savitribai Phule Samman: A Monumental Apex of National Honour

In a glorious moment of national distinction, our distinguished Mathematics educator, Ms. Ayushi Jain, was bestowed with the august Savitribai Phule Samman 2026 by Smt. Savitri Thakur, Honourable Union Minister. This supreme accolade celebrates her extraordinary dedication, exemplary leadership and transformative impact in empowering young minds.

Oxford–Shiv Nadar Best Teachers Award: A National Benchmark of Excellence

In an extraordinary feat of academic triumph, our visionary PGT Economics mentor, Ms. Charu Tandon, has been crowned among the top five finalists nationwide for the prestigious Oxford–Shiv Nadar Foundation Best Teachers Award 2026. Her intellect, magnetic teaching and relentless pursuit of excellence stand as a monumental benchmark.

IIHM Teachers Day Awards: A Triumph of Visionary Pedagogy

MRG School takes monumental pride in celebrating our illustrious educator, Dr. Namrata Choudhary honored at the grand IIHM Teachers' Day Awards 2026. A true icon of pedagogical brilliance, her transformative vision, unwavering commitment and passion for sculpting future-ready leaders continue to illuminate and elevate our academic landscape.

SOF District Leadership Distinction: A Pursuit of Academic Mastery

MRG School takes immense pride in celebrating Ms. Swati Jain, recipient of the prestigious SOF Best District Overall Coordinator Award 2025–26 along with a cash prize. Her exemplary coordination, dynamic leadership and unwavering commitment to facilitating world-class Olympiad platforms continue to inspire academic excellence across our institution.

IEEE Research Presentation Distinction: Conquering the Frontiers of Science

Illuminating the frontiers of advanced research, our brilliant Physics faculty, Dr. Namrata Choudhary, showcased her pathbreaking research on SWB Four-Port MIMO Antennas at IEEE IEC2T 2026. Her stellar academic prowess seamlessly bridges classroom learning with world-class innovation, inspiring a whole new generation of scholars!

Prodigious Sanskrit Recitation Record

MRG School proudly celebrates our Kindergarten star, Myra Punia, for setting an extraordinary record in the fastest recitation of 23 Sanskrit Shlokas (comprising 106 lines). Her phenomenal memory, flawless articulation and dedication at such a tender age stand as an inspiring testament to early childhood excellence.

Black Belt & Taekwondo Triumph

MRG School proudly applauds Rannveer of Class XII on attaining his Black Belt (1st Dan) in Taekwondo and clinching a prestigious medal at the tournament. His relentless discipline, athletic finesse and steadfast grit exemplify the true mark of a champion, inspiring excellence both on and off the mat.

Young Author's Debut

MRG School celebrates the literary achievement of Chandrodaya Garg from Class V on the successful launch of his debut comic book, "The Moon-Rise Boy". Packed with action, vivid imagination and creative flair, his remarkable feat exemplifies the transformative power of youthful storytelling.

Leading the Way to Healthy Horizons!

MRG School proudly commends the appointment of four exemplary students—Preksha Gupta of Grade IX, Paarth Gupta of Grade VIII, Chitranshi Garg of Grade VII and Japmin Kaur of Grade VI as School Nutrition Ambassadors under the collaborative NPSC-UNICEF initiative. This prestigious leadership platform empowers student ambassadors to advocate for balanced dietary habits, foster health literacy and champion lifelong wellness initiatives across our campus community.

DIVYAM GOYAL

(SR. HEAD BOY)

To stand on the threshold of this monumental year is to embark upon a journey woven with purpose, transformative growth and profound gratitude. My path at MRG School has been an extraordinary tapestry of cherished memories and continuous self-discovery. Being elected as Senior Head Boy for this academic session is a deeply humbling honor. I extend my heartfelt thanks to my respected teachers for considering me worthy of this responsibility and to my incredible friends and peers for placing their faith in me. Leadership is never defined by a title, but by quiet grace, genuine empathy and leading by example. As I step into this office, I pledge to honor this privilege by steadfastly upholding my duties, maintaining the highest standards of ethics and fostering unity and excellence across our student body.

With Warm Regards
Divyam Goyal

What began as a childhood memory in Grade II has blossomed into a breathtaking, full-circle realization as I take on the mantle of Senior Head Girl for this academic year. MRG School has always been my safe haven—a nurturing space that empowered my voice. I am immensely grateful to my mentors for their constant encouragement and to my dear friends for voting for me and believing in my vision. True leadership lies in listening warmly and uplifting everyone around you. Stepping into this active role, I remain firmly committed to fulfilling my duties with utmost dedication, upholding our core values of compassion and integrity and serving as a bridge of strength between the student body and our school leadership. Together, we will lead with heart and purpose.

With Gratitude & Love
Hanshika Shokeen

A Salute to the Spirit of Freedom

INDEPENDENCE DAY

MRG School's 80th Independence Day Celebration resonated with pride, patriotism and the spirit of a united India. Graced by esteemed dignitaries, whose presence and appreciation added distinction to the occasion, the celebration honoured our visionary founder, Late Shri Mange Ram Goel Ji, followed by the hoisting of the Tricolour, the National Anthem and a spirited March Past. Echoes of Freedom, The Bhagat Singh of Sindh and Shaurya Gatha brought alive India's courage and legacy, while the Investiture and Annual Awards celebrated young achievers. The celebration reaffirmed MRG School's commitment to nurturing courageous minds, responsible citizens and proud Indians.

The Mantle of Leadership

Celebrating the Spirit of Achievement

Janmashtami Celebration

When Divinity Danced to the Rhythm of Joy

MRG School's Janmashtami Celebration blossomed into a vibrant tapestry of devotion, creativity and cultural splendour, bringing the enchanting world of Krishna Leela to life. Adorned as Lord Krishna and Radha, students captivated the audience with their graceful presence and expressive stage performances. The festivities featured soulful bhajans, mesmerising dance and theatrical presentations, while the spirited Matki Challenge for parents, along with non-fire cooking, festive games and creative craft activities, fostered joyful participation.

Teachers' Day Celebration

MRG School marked Teachers' Day with profound warmth, admiration and heartfelt gratitude for the educators whose wisdom and dedication shape lives far beyond the classroom. The celebration unfolded through captivating dance performances, a soulful musical tribute and an engaging Hoopla presentation, each reflecting students' admiration for their mentors. A particularly memorable highlight was the presentation of unique, thoughtfully curated titles to every teacher, celebrating their distinctive qualities and invaluable contributions. The occasion beautifully reaffirmed that at MRG School, teachers are not merely educators but inspiring architects of character, confidence and lifelong aspirations.

MRG School commemorated Grandparents' Day with an enchanting celebration that paid tribute to the unwavering love, wisdom and legacy of our cherished elders. The occasion unfolded with a graceful ramp walk, where grandparents radiated elegance and confidence, followed by lively games that filled the atmosphere with laughter and camaraderie. The soulful Bhajan Clubbing segment infused the celebration with serenity and devotion, creating a heartwarming blend of joy, gratitude and togetherness. The memorable event beautifully reinforced the timeless bond between generations, leaving an enduring imprint on every heart.

Grandparents' Day Celebration

THE KALEIDOSCOPE OF KNOWLEDGE

Little Scientists at Work

Our curious minds stepped into the shoes of young scientists through a mesmerizing oil and water experiment! By predicting, observing and discovering how liquids form distinct layers, children explored fundamental scientific concepts. This hands-on activity sparked endless curiosity, sharp observation skills and a joyful passion for asking big questions!

Palms and Planet

Our little eco-champions celebrated Van Mahotsav by discovering how plants give us fresh air, food, shade and shelter! Through hands-on green activities, children learned the joy of tree planting and nurturing nature. This fun experience inspired environmental awareness, teamwork and a lifelong responsibility toward keeping our planet healthy and green.

Roaring into Action

Our nursery wing transformed into a vibrant jungle to celebrate Tiger Day! Young learners discovered fascinating facts about the magnificent big cat through creative mask-making, colorful worksheets and adorable costumes. The interactive activities sparked enthusiasm, artistic expression and a joyful appreciation for wildlife conservation in our little explorers.

Tiny Steps, Big Stars

Our little learners stepped into the shoes of doctors, firefighters, police officers, and teachers for a day of inspiring role-play! By discovering how each helper serves us, children sparked their imaginations, built confidence and gained a heartfelt appreciation for the everyday heroes who keep our world safe and bright.

From Smiles to Storms

Our little learners dove into the colorful world of emotions! Through fun activities, facial expressions and bright emojis, the children learned to recognize feelings like happiness, sadness, excitement and anger. Learning to share how they feel in a simple and healthy way helped them build lifelong emotional awareness, strong communication and empathy for one another!

Shake, Read and Shine

Our little learners enthusiastically participated in the Shake and Read activity, where they shook a colourful word box, selected a word card and confidently read it aloud. This engaging experience transformed reading into an exciting game, strengthening phonemic awareness, vocabulary, word recognition and pronunciation.

Tiny Hands, Big Hearts

Friendship was in full bloom as our tiny tots put their fine motor skills and creativity to work! Using colorful straw pieces, the children crafted bright, beautiful friendship bands and exchanged their handmade creations with classmates. Spreading sweet smiles across the classroom, it was a wonderful day filled with laughter, sharing and lasting bonds!

6

Thread of Love, Joy and Togetherness!

Our KG wing was filled with color, laughter and festive cheer as our little learners celebrated Raksha Bandhan! Dressed in lovely ethnic outfits, the children crafted their own beautiful DIY Rakhis and shared sweet treats with friends. It was a heartwarming blend of creativity, friendship and cultural tradition that left everyone with memories to treasure!

The Invisible Power of Air Pressure!

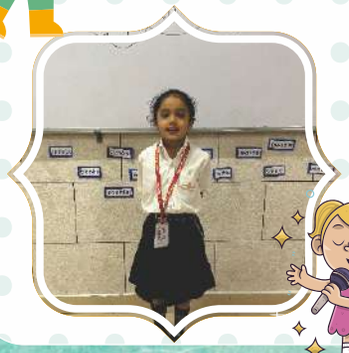

Science magic was in the air as our young scientists explored how air pressure works through an exciting, hands-on demonstration. Watchful eyes turned into curious minds as students observed invisible forces in action, asked big questions and discovered the fascinating science behind the world around them!

A Splash of Tropical Bliss

The campus came alive with laughter and exuberance as our little learners immersed themselves in the vibrant Hawaiian Rain Splash Fun celebration. Amid lively music, tropical décor and refreshing water play, children revelled in moments of carefree delight, strengthening friendships and embracing the joy of collaborative play.

Hopping into Our Favorite Hobbies!

Our Grade I learners took center stage to share their favorite pastime activities—explaining what they love doing in their free time and why it brings them joy. This interactive session boosted public speaking confidence, encouraged active listening and celebrated the wonderful diversity of interests across our classroom community!

खेल-खेल में भाषा ज्ञान

प्राथमिक स्तर के विद्यार्थियों ने 'इ' और 'ई' की मात्राओं की समझ सुदृढ़ करने हेतु एक रोचक वर्गीकरण गतिविधि में भाग लिया। बच्चे घर से चित्रों के कटआउट लाए, उनकी ध्वनियों को पहचाना और सही मात्रा वाले कॉलम में व्यवस्थित किया। इस प्रयोगात्मक प्रयास से छात्रों का मात्रा-ज्ञान, उच्चारण, वर्गीकरण क्षमता और भाषाई कौशल सुदृढ़ हुआ।

Beep! Beep! Back to School

Our learners made a colorful comeback after the summer break with a fun moving bus craft! Adding their own creative flourishes to each ride, students took time to share cherished break memories and express their excitement about being back together. It was a joyful session filled with reconnection, self-expression and high energy!

Little Detectives on a Grammar Mission!

Our young learners turned into Noun Detectives during an exciting activity! While diving into fun stories, students put their observation skills to work by hunting down and categorizing nouns—from people and places to animals and things. This interactive reading exercise made grammar meaningful, boosted vocabulary and brought storytime to life with purposeful learning!

नामों की रंगीन दुनिया

विद्यार्थियों ने नामों की रंगीन दुनिया गतिविधि के माध्यम से नाम शब्दों की अवधारणा को सहज एवं मनोरंजक ढंग से समझा। बच्चों ने विभिन्न चित्रों को उकेरा, उनमें रंग भरे और उनके सही नाम शब्दों से परिचय प्राप्त किया। इस रचनात्मक प्रयास ने छात्रों के भाषा-ज्ञान, शब्द-भंडार, कल्पनाशक्ति और सूक्ष्म गत्यात्मक कौशल को बढ़ावा दिया।

मेरा साथी कौन?

विद्यार्थियों ने मेरा साथी कौन? गतिविधि के माध्यम से पुल्लिंग एवं स्त्रीलिंग की अवधारणा को प्रयोगात्मक ढंग से समझा। चित्र-काईस चुनकर बच्चों ने कक्षा में अपने सही जोड़े की खोज की। इस सहयोगात्मक खेल ने छात्रों के भाषा-ज्ञान, अवलोकन क्षमता, शब्द-भंडार और पारस्परिक सहयोग की भावना को सुदृढ़ किया।

Creating Tens

Bundling curiosity with creativity, our young learners took a hands-on exploration into place value through a fun and tactile activity, our young learners explored the concept of place value by bundling ice cream sticks into groups of ten. This hands-on approach deepened their understanding of how numbers are formed, helping them visualize and internalise the value each digit holds in a number.

Master the Clock Face

Early years learners explored time-telling concepts through an interactive, hands-on clock assembly activity. By positioning and sticking numbers onto individual clock faces, students investigated numerical sequence, dial layout and basic hour tracking. The tactile exercise enhanced fine motor precision,spatial awareness and practical mathematical literacy.

All Ears for Science!

Our Grade I mini-scientists made their very own big ears to explore the magical world of sound! Through this hands-on activity, students discovered how sound travels from its source straight to our ears while testing out loud and soft sounds.

Treasure Hunters on a Material Mission!

Our Grade I explorers put on their detective goggles for an exciting Material Treasure Hunt! Searching high and low around the classroom, students hunted for items made of wood, glass, metal and plastic and sorting their discoveries into the right material groups. Turning environmental science into an interactive scavenger hunt made learning about everyday materials an absolute blast!

Serving Up Grammar with a Twist!

Learning pronouns was a slice of fun in our classrooms! Through the creative Pronoun Pizza activity, our Grade II students crafted individual pizza slices labeled with various pronouns. This hands-on exercise turned abstract grammar rules into a visual, interactive experience—fostering creativity, boosting active participation and making language mastery truly enjoyable!

चित्रों से शब्दों तक!

हिंदी दिवस के सुअवसर पर कक्षा दूसरी के विद्यार्थियों ने 'चित्र-वर्णन' गतिविधि में उत्साहपूर्वक भाग लिया। नन्हे-मुन्नों ने चित्रों का अवलोकन कर अपने विचारों को सुंदर शब्दों और वाक्यों में पिरोया। इस रचनात्मक प्रयास ने उनकी कल्पनाशक्ति, शब्द-संपदा और अभिव्यक्ति-कौशल को निखारने के साथ-साथ मातृभाषा के प्रति प्रेम को सुदृढ़ किया।

From Nature to Product!

Our Grade II environmentalists put on their detective hats to explore where everyday objects come from! Through an interactive Natural vs. Human-Made anchor chart activity, students sorted items based on raw materials. This hands-on, visual inquiry turned environmental science into a fun, collaborative classroom success!

Double the Nouns, Double the Fun!

Our vibrant Grade III stars mastered singular and plural nouns through an engaging, hands-on activity! By turning single words into pairs and groups, they strengthened their grammar skills, expanded their vocabulary and discovered just how joyful learning can be.

मात्रा घड़ी

कक्षा तीन के नन्हें कलाकारों ने मात्रा घड़ी बनाकर भाषा-ज्ञान और रचनात्मकता का अद्भुत संगम प्रस्तुत किया। इस आकर्षक गतिविधि से बच्चों ने मात्राओं को आसानी से समझा, साथ ही उनमें टीमवर्क, रंग-संयोजन और सूक्ष्म कौशल का बेहतरीन विकास हुआ।

Minus Mission

Our Grade III math stars enthusiastically bloomed through the Subtraction Flower activity! Solving subtraction problems on colorful petals, they crafted beautiful math flowers. This engaging experience strengthened their calculation skills, accuracy and logical thinking, perfectly blending learning with creativity.

तोरण

कक्षा तीन के विद्यार्थियों ने तोरण गतिविधि में अपनी उत्कृष्ट कलात्मकता का प्रदर्शन किया। रंग-बिरंगे तोरण बनाते हुए बच्चों ने रंग-संयोजन, कल्पनाशक्ति और टीमवर्क सीखा। इस गतिविधि ने उनके सीखने के अनुभव को अत्यंत आनंदमय, रंगीन और प्रेरणादायक बना दिया।

मेरे शब्द, मेरा पत्र

कक्षा तीन के बाल-लेखकों ने मेरे शब्द, मेरा पत्र गतिविधि द्वारा अपनी भावनाओं और विचारों को सुंदर शब्दों में पिरोया। इस प्रयास से बच्चों का लेखन-कौशल और भाषा-ज्ञान निखरा। उन्होंने जाना कि शब्द केवल लिखे नहीं जाते, बल्कि भावनाएँ व्यक्त करते हैं।

Colour Cascades

Our Grade III discoverers explored the fascinating process of dissolving through a vibrant experiment. Placing colourful sweets in water, they watched the sweet coatings dissolve and create vivid patterns. This hands-on activity deepened their scientific understanding while making learning genuinely delightful.

संग्रहालय: हमारी ऐतिहासिक धरोहर की झलक

कक्षा तीन के विद्यार्थियों ने संग्रहालयों के महत्व पर आधारित इस विशेष गतिविधि में उत्साहपूर्वक भाग लिया। विभिन्न चित्रों के माध्यम से बच्चों ने जाना कि संग्रहालय हमारी सांस्कृतिक, ऐतिहासिक और कलात्मक धरोहर को सुरक्षित रखते हैं। इस अनुभव ने उनमें अतीत और इतिहास के प्रति गहरी रुचि एवं जागरूकता जगाई।

Wheels of Wonder

Our brilliant Grade IV thinkers turned complex arithmetic into a vibrant, hands-on game with Concentric Multiplication Wheels! By assembling three interactive circles- anchor numbers inside, multipliers in the middle, and calculated answers on the outer ring, they uncovered numerical patterns with ease, building speed, accuracy and mathematical confidence through creative play.

Links of Life

Our Grade IV explorers brought science to life by crafting creative food-chain models using paper plates and animal illustrations. Through this engaging hands-on activity, they discovered how energy flows from plants to animals, gaining a deeper understanding of ecosystem balance while making scientific learning truly memorable.

Data Detectives

Our Grade V data detectives sharpened their analytical skills through the engaging Decoding the Bar Graph activity. By examining visual data, identifying key values and comparing quantities, students unlocked meaningful insights. This interactive exercise boosted critical thinking, data interpretation and mathematical vocabulary, empowering learners to communicate their findings with confidence.

मुहावरेदार कहानी

कक्षा पाँच के विद्यार्थियों ने मुहावरों का सार्थक प्रयोग करते हुए अपनी कल्पनाशक्ति से आकर्षक कहानियाँ रचीं। इस गतिविधि से बच्चों ने मुहावरों के अर्थ समझकर अपने रचनात्मक लेखन और भाषा-ज्ञान को निखारा। मुहावरों के प्रयोग से सजी उनकी कहानियाँ सीखने की प्रक्रिया को अत्यंत आनंदमय बनाती हैं।

Legacy of Courage

Our Grade V historians explored the life and remarkable bravery of Mangal Pandey through an inspiring Personality Profile activity. By researching his early life and historic role in the Revolt of 1857, students expressed their discoveries with creativity and pride. This engaging experience deepened their understanding of national heritage and brought freedom struggle history to life.

शब्दों का जादू

कक्षा छठी के विद्यार्थियों ने उपसर्ग और प्रत्यय की मदद से नए-नए शब्द बनाना सीखा! इस प्रयोगात्मक गतिविधि ने छात्रों के शब्द-भंडार को समृद्ध करने के साथ-साथ उनकी रचनात्मक सोच और भाषा-कौशल को एक नई दिशा दी। हमारे नन्हे भाषा-विदों ने दिखाया कि व्याकरण को मनोरंजक तरीक़े से कैसे सीखा जा सकता है।

Folding, Measuring and Discovering!

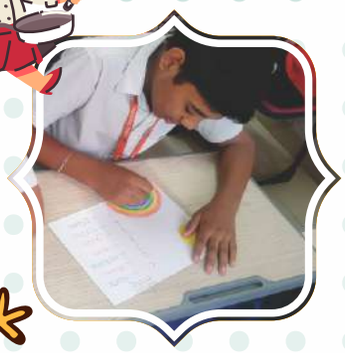

Our young mathematicians brought geometry off the page with a hands-on paper-folding activity! By creating crisp creases, tracing lines and measuring angles with protractors, students explored and classified acute, right, obtuse, straight and reflex angles. Turning abstract math into a visual and tactile journey made discovering angle properties both intuitive and fun!

MasterChef MRG: Where Health Meets Fun!

Class VI students transformed their classroom into a vibrant learning kitchen during the MasterChef MRG activity. Working with wholesome ingredients like chana, rajma, lettuce and fresh vegetables, young chefs prepared nutritious recipes while exploring the nutritional benefits of each component. This hands-on experience beautifully blended creativity, teamwork and culinary health awareness, making learning both meaningful and delightful.

दिनानां नामानि

इस गतिविधि के अंतर्गत विद्यार्थियों ने सप्ताह के सातों दिनों के संस्कृत नाम—रविवासरः, सोमवासरः, मङ्गलवासरः, बुधवासरः, गुरुवासरः, शुक्रवासरः और शनिवासरः—सीखे। विद्यार्थियों ने दिनों के नामों को रचनात्मक रूप से प्रस्तुत किया। इस गतिविधि ने संस्कृत शब्दों को दैनिक जीवन से जोड़ते हुए सीखने को सरल, आनंददायक और प्रभावी बनाया।

Voice for the Wild

Students of Grade VII took the stage to share their thoughtful perspectives on the vital importance of conserving flora and fauna. Through engaging speeches, they emphasized the critical need to protect plant species, wildlife and natural habitats to maintain ecological balance and safeguard our planet's biodiversity.

Triangle Lab

Our students stepped into the math lab for a hands-on deep dive into the properties of triangles! Working in teams, young mathematicians constructed geometric models, made keen observations and used practical proof to arrive at their own conclusions. By turning abstract concepts into a tactile, inquiry-based experience, our learners learned to question, reason and discover math in action!

Sparking Curiosity in Chemistry!

Our young scientists caught science in action during a thrilling demonstration of burning magnesium ribbon! As the metal burned with a dazzling white light, students observed a dramatic chemical reaction firsthand, transforming a silvery strip into pure white magnesium oxide powder. By bringing textbook reactions off the page and into the lab, our learners explored combination reactions, chemical changes and the sheer magic of experimental science!

Democracy on Stage

Grade VII scholars brought governance to life through collaborative performance. By engaging in role-play, dialogue and creative presentations, students explored Direct, Representative and Parliamentary democracies. This activity deepened their understanding of democratic principles while strengthening teamwork, critical thinking and civic awareness.

La France en Fête !

Grade VII MRGians journeyed into the rich cultural landscape of France through an engaging activity on Famous Festivals of France. They researched and creatively showcased vibrant celebrations such as the Music Festival, Nice Carnival and Bastille Day. The activity broadened their understanding of French traditions while nurturing research, presentation and communication skills, making cultural learning engaging and memorable.

खेल-खेल में

कक्षा सातवीं के विद्यार्थियों ने मुहावरों का चक्र, पर्यायवाची सीढ़ी तथा विलोम शब्दों की मछली जैसी रोचक गतिविधियों के माध्यम से खेल-खेल में हिंदी व्याकरण का अभ्यास किया। इन गतिविधियों ने विद्यार्थियों में भाषा के प्रति रुचि, शब्द-भंडार, सहयोगात्मक अधिगम, आलोचनात्मक चिंतन तथा आत्मविश्वास का विकास किया। सीखने की इस आनंददायक प्रक्रिया ने विद्यार्थियों को व्याकरण को सरल, रोचक और व्यवहारिक रूप में समझने का अवसर प्रदान किया।

À Chacun sa Tâche !

Grade VIII MRGians explored the theme “Les tâches ménagères” (Household Chores) through a vibrant and engaging collage-making activity. Blending creativity with language learning, they paired pictures with French vocabulary for everyday chores such as faire la cuisine, faire le ménage and faire la vaisselle. The activity enriched vocabulary and reinforced the value of sharing responsibilities at home.

Reflections of Wonder

Our Grade VIII scientists turned into keen explorers, discovering how convex mirrors curve light and shape reflections through a captivating activity. Guided by observation and curiosity, students unlocked key optical concepts with plenty of insightful breakthrough moments.

The Learning Spectrum : Staff and Students in Action

Mastering Effective Communication

MRG School hosted a transformative workshop on Communication, spearheaded by SEL experts Ms. Poonam Chand, Ms. Neeta Gupta, Ms. Trivikrama Jamwal and Ms. Monica Bhatia. Empowering participants with key competencies, the session cultivated empathetic listening, self-expression and strong interpersonal connections through interactive Think–Pair–Share activities, immersive role plays, collaborative discussions and peer feedback.

Navigating AI as Friend or Foe

MRG School hosted an inspiring workshop on Artificial Intelligence – Friend or Enemy, led by expert mentor Mr. Ankit Singhal. Educators explored powerful prompting techniques, practical classroom applications and creative AI integration. The interactive session fostered critical thinking, balancing AI's potential benefits with its limitations, ethical boundaries and responsible usage.

Shri Sangam 2026

Our Middle-school coordinator, Ms. Pallavi Jain along with Ms. Ayushi Jain, and Ms. Khushboo Gupta participated in Shri Sangam 2026 at The Shri Ram School, Moulsari. The enriching three-day programme explored AI ethics, automated lesson design and data management, equipping educators with innovative tools to streamline planning and enhance classroom practices.

Safeguarding Young Minds

MRG School reinforced its commitment to a secure, child-centric environment by hosting a vital POCSO Awareness Workshop for teachers and staff. Legal experts Adv. Shourya Rajput and Adv. Navmallika Gupta guided participants through the key provisions of the POCSO Act (2012), mandatory reporting legalities and abuse recognition. Engaging case studies and discussions emphasized confidentiality, empathetic intervention and swift response protocols to ensure absolute student safety.

Professional Presence & Code of Conduct

To uphold the highest standards of educator professionalism, MRG School organized an engaging workshop on Professional Presence & Code of Conduct led by Ms. Ipshita Chakladar. The session focused on refined grooming, polished communication, body language and confident conduct. Educators explored the concept of "Moments of Truth," gaining practical insights into how subtle, everyday interactions build deep institutional trust and elevate the learning environment.

Shri Aadhaar Conclave 2026

The Shri Aadhaar Conclave 2026, attended by elementary teachers offered an enriching professional development experience centered on joyful, child-focused pedagogy, active communication and personal growth. The sessions emphasized cultivating safe, inclusive and engaging learning environments through key strategies such as circle time, interactive reading, movement breaks and sensory-sensitive practices. By embracing positive communication and empathetic engagement, the workshop reinforced actionable ways to support every child's unique learning journey and holistic well-being.

Social-Emotional Learning

MRG School hosted an enriching CBSE Capacity Building Programme on Social-Emotional Learning, facilitated by resource persons Ms. Aditi Roy and Ms. Monika Sachdeva. The workshop empowered educators with strategies to nurture emotional awareness, empathy, self-regulation and responsible decision-making. Through dynamic activities and collaborative discussions, teachers gained practical tools to seamlessly integrate SEL into daily pedagogy, fostering a supportive, inclusive and emotionally balanced learning environment.

Driving Innovation in the Classroom

MRG School organized an engaging STEM Workshop for Science, Mathematics and IT educators at the Spark Centre, led by expert mentor Mr. Sachin. The session provided hands-on experience with STEM Lab resources, Tinkercad and 3D design and printing. Emphasizing interdisciplinary, problem-based learning, the workshop empowered teachers to seamlessly integrate innovative STEM concepts and real-world applications into daily classroom instruction.

हिंदी शिक्षण में नवीनता

CBSE द्वारा आयोजित दो दिवसीय हिंदी कोर्स-B प्रशिक्षण कार्यशाला में विद्यार्थी-केंद्रित शिक्षण, गतिविधि-आधारित अधिगम और भाषा-कौशल विकास की आधुनिक रणनीतियों पर विशेष बल दिया गया। सत्र के दौरान ASL (श्रवण एवं वाचन कौशल), कला-समेकित अधिगम, रचनात्मक लेखन तथा पारदर्शी मूल्यांकन से जुड़े व्यावहारिक तरीकों को साझा किया गया। इन नवीन शिक्षण तकनीकों को कक्षाओं में लागू कर हिंदी शिक्षण को अधिक प्रभावकारी, रोचक और उद्देश्यपूर्ण बनाया जाएगा।

Prioritizing Educator Wellness

Recognizing that resilient teachers create thriving classrooms, Rajdhani Public School, Narela, organized an interactive Stress Management Workshop led by Resource Person Ms. Pooja Goel. The faculty explored the psychological nuances of workplace stress and engaged in hands-on mindfulness practices designed to reduce burnout, elevate mental clarity and maintain work-life harmony.

Leading through Collaboration

Our school delegation proudly participated in the prestigious Resource Person (RP) Meet held at Shah International School, Delhi—a premier platform celebrating educational leadership and professional synergy. Represented by our Respected Principal, Ms. Anshu Mital, Ms. Khushboo Gupta, Ms. Pooja Goel and Ms. Nupur Gupta, our educators engaged in meaningful exchanges on modern pedagogy and continuous professional development.

Building Life-Ready Classrooms

Adarsh Public School, Bali Nagar, and Jaspal Kaur Public School, Shalimar Bagh hosted an engaging Life Skills Workshop led by Resource Person Ms. Pooja Goel. Deeply aligned with the vision of NEP 2020, the session explored seamless ways to integrate core life skills into everyday pedagogy. Through collaborative activities and hands-on classroom strategies, teachers gained fresh perspectives on cultivating emotional intelligence, critical thinking and holistic growth in their students.
