**Our achievements
so far:**

Following The Teaching - Learning Practices of The Shri Ram Schools through its collaboration with Shri Educare Ltd

MRG School is established in academic collaboration with Shri Educare Limited, which is modelled on the pattern of The Shri Ram Schools. The Shri Ram Schools are known for their child-centric innovative methods of imparting value-based education. Drawing strength from the repertoire of experience and expertise of The Shri Ram Schools in the field of education, MRG School incorporates the global best practices in education. This collaboration has been set up with the view that our school is emphatic about providing child-centric education, and therefore we offer learning that is both interactive and experiential. It is vital that the teaching methodology in our school remains a diverse mix of the most recent innovations in education and is based on the latest findings in tutoring research.

**Cambridge
International
Education.
The qualification

across
the globe.**

MRG school is now the 11th school in Delhi that imparts Cambridge Assessment International Education (CAIE). Part of the University of Cambridge, CAIE is the world's largest provider of international education programmes and qualifications for 5 to 19 year olds. CAIE prepares school students for life, helping them develop an informed curiosity and a lasting passion for learning. This international qualification is recognised by the world's best universities and employers, giving students a wide range of options in their education and career. There are more than 10,000 Cambridge schools in over 160 countries worldwide. This helps us assimilate students from families that often have to relocate, owing to their work-related commitment. What makes Cambridge unique is their professional development training for teachers that lead to improved outcomes for learners. Good quality training and reflective practice are essential to a teacher's professional life.
