

MRG BITS

Volume I

April - June
2025-26

A TRIBUTE TO OUR VISIONARY

A portrait of Shri Mange Ram Goel, a man with dark hair, wearing a white cap and a light-colored shawl. The portrait is set against a textured, light-colored background. The entire image is framed by a white border, which is itself set against a larger orange background with a subtle pattern.

Shri Mange Ram Goel
(1927-1983)

Our founder, Late Shri Mange Ram Goel was a crusader for education, equality and social reform. MRG BITS Volume 1 is more than a magazine — it is a living tribute to his unwavering ideals. His vision lit the path for generations and his legacy breathes through every page — timeless, bold and inspiring.

Message from the Director's Desk

Dear Readers,

"There is a miracle in every new beginning."

-Hermann Hesse

As we step into another academic year, I am filled with a sense of excitement and gratitude to present to you the very first edition of MRG BITS for 2025-26.

This issue is more than just a collection of news; it's a warm reflection of the passion, unity and aspirations that define our MRG family.

I would like to begin by sharing my heartfelt congratulations with the incredible students of Class X and XII, whose outstanding board results have filled us with tremendous pride.

Each success story is shaped not only by individual hard work, but also by the unwavering dedication of our teachers and the encouragement and trust of our parent community.

Our vibrant 13th Founder's Day celebration was not just a remarkable milestone but a gathering of memories, expressions and artistry that paid homage to our journey and the values we hold dear. These moments and many more quietly unfolding each day, inspire us all to cherish our traditions and dream bigger for the future.

The world around us is changing rapidly, with technology, creativity and social responsibility playing ever-greater roles in shaping the next generation. At MRG, we are embracing these currents by integrating innovative teaching methods, nurturing digital literacy and encouraging our students to explore and contribute to the world with resilience and empathy. We understand the challenges of our era: Be it adapting to new learning models, the importance of well-being, or the value of community we are committed to supporting our students at every step, helping them thrive both academically and emotionally.

This edition of MRG BITS is more than a newsletter; it is a celebration of our collective journey and an invitation to all our students, parents and staff to stay engaged and inspired. May these stories ignite your pride in our school and bring us even closer as a community.

Let us look forward with hope, togetherness and a shared resolve to continue adding value in school and beyond.

Warm Regards

Mr. Rajjath Goel
(Director)

Message from the Principal's Podium

Dear MRGians,

With immense pride and heartfelt joy, we present to you the maiden edition of MRG BITS—a radiant reflection of the creativity, spirit and aspirations that shape the vibrant soul of our school. More than just a publication, this inaugural volume captures the living essence of MRG—a space where voices are heard, dreams are nurtured and every journey is celebrated.

The academic year 2025–26 began on an inspiring note, marked by the stellar board results of our Grade X and XII students. Their commendable performance stands as a shining example of dedication, perseverance and the unwavering support of our passionate educators and ever-encouraging parents.

Our school calendar has also been enriched by the grand celebrations of the 13th Founder's Day, Earth Day and English Week. Each of these events offered not only joy and participation, but also meaningful reflections on our shared values—heritage, environmental responsibility and the power of language as a force for connection and expression.

In line with our vision of holistic development, we introduced three innovative experiential programmes—Financial Literacy, Table Tennis and Theatre. These initiatives extend learning beyond the classroom, nurturing practical wisdom, focus, empathy and confident communication. At their heart lie MRG's core values—Excellence, Integrity, Empathy and Courage—which continue to guide every endeavour and interaction.

We encourage you to delve into the inspiring journeys of our alumni, whose reflections beautifully capture the essence of their MRG experience—marked by growth, gratitude and a strong foundation for life beyond school.

May this edition stir your heart with pride and hope, reminding you of the joy of being part of the MRG family—a place where every voice matters and every step forward is celebrated together.

Wishing you a meaningful and successful journey in 2025-26 with MRG—where learning inspires growth and every step shapes tomorrow.

Warm Regards

Ms. Anshu Mital
(Principal)

Celebrating Excellence in Education

Greening the Globe with Purpose

MRG School has proudly secured the 4th Rank in the National Green School Ranking 2025, a distinguished recognition awarded by Green Mentors in collaboration with the United Nations ECOSOC. This honour celebrates our unwavering commitment to environmental consciousness, sustainable practices and climate-responsive education. It reaffirms MRG's role as a trailblazer in nurturing eco-literate citizens and shaping a greener, more responsible tomorrow.

A Vision That Inspires Generations

With unmatched grace and unwavering dedication, our Principal, Ms. Anshu Mital, has been honoured with the Avantika Excellence Educational Award. This accolade celebrates her transformative leadership and her lifelong commitment to fostering an environment where every learner flourishes and every dream finds direction.

Shining Bright on the National Stage

Brilliance met recognition as Charvi Mehta of Class XII was felicitated with the prestigious MATE Excellence Award 2025 at a national-level platform in Delhi. Her remarkable achievements reflect the spirit of excellence and resilience nurtured at MRG.

A Thunderous Knock That Echoed Glory

Lighting up the field with sheer brilliance, Uday Chawla delivered a historic unbeaten 261 runs in the 27th War Sports Open Cricket Tournament. His extraordinary performance showcases the sporting excellence MRG takes immense pride in cultivating.

Grit and Glory in Every Swing

With strength, skill and unwavering focus, Ridhiman Saini smashed an unbeaten 155 runs in the Wonder U-15 Cricket Tournament, marking a memorable sporting milestone. His commitment on the pitch echoes the values of discipline and determination instilled at MRG.

Elevating Grace Through Yoga

Exhibiting focus and finesse, Ridhima Dudeja of Grade VI clinched the Gold Medal in Yoga at the Indo-Nepal International Championship 2025, held in Pokhara, Nepal. Her win reflects MRG's unwavering focus on holistic development and global excellence.

Forging Warriors of Tomorrow

MRG School proudly celebrates the outstanding accomplishment of its young martial artists—Anshika Gupta (X), Livanshi Kaur (X), Hardik Verma (IX) and Novesh Kirar (XI)—who have earned the prestigious Kukkiwon-certified Black Belt, conferred by the World Taekwondo Headquarters, Seoul, South Korea. This internationally recognised honour stands as a powerful testament to their unwavering discipline, focus and perseverance.

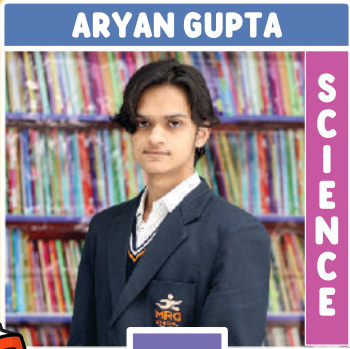

Rising Star on the Court

Sharvya of Grade III clinched the Gold Medal in the Girls Singles Under-9 category at the 8th Pradeep Virendra Singh Memorial Delhi State Badminton Tournament, held at Modern School, Barakhamba Road. Organized by the Delhi Capital Badminton Association, this incredible feat showcases her passion, precision and perseverance—an inspiring moment for MRG as young talent rises with unstoppable spirit.

COMMUNITY COMPASS

SALUTE TO SERVICE

MRG School observed Labour Day with solemn reverence, extending heartfelt tribute to the unsung heroes of our society whose relentless efforts often remain unacknowledged. The occasion was highlighted by a purposeful ration drive, symbolizing the growing sense of empathy and social responsibility among students committed to making a meaningful impact. Students of Grade VI articulated the importance of labour through expressive poems, elegant dance performances and insightful plays. Further enriching the celebration, a series of engaging and enjoyable games were thoughtfully organized for the school's devoted support staff. The initiative fostered a profound sense of compassion, gratitude and respect for the dignity of labour, instilling values that extend well beyond the day's observance.

GREEN GUARDIANS @ MRG

On World Environment Day, the young change makers of MRG School took a commendable lead in fostering a sustainable future. Demonstrating a deep sense of environmental responsibility, students conducted eco-audits at home to reflect on their ecological footprint. They took a heartfelt green pledge and actively participated in a sapling plantation drive, symbolizing their commitment to nurturing the planet. With each sapling planted, they sowed seeds of hope, awareness and accountability, collectively contributing to the vision of a cleaner, greener and more hopeful world.

THE JOY GIVERS

The Toy Donation Drive at MRG School was a resounding success, exemplifying the generosity and compassionate spirit of our school community. A wide array of toys—including stuffed animals, board games and educational playthings—were thoughtfully contributed by students and families. These cherished donations were handed over to the NGO Toy Bank, where they will find new homes and bring joy, learning and smiles to the lives of underprivileged children. The initiative not only fostered a sense of giving but also reinforced the values of empathy and social responsibility among our young learners.

The Kaleidoscope of Knowledge

Baisakhi Beats and Festive Feats!

Our elementary wing came alive with vibrant hues, rhythmic beats and endless smiles as little ones celebrated the spirit of Baisakhi. Dressed in traditional attire, they danced, sang and learned about the rich cultural heritage of this joyful harvest festival- making memories rooted in celebration and learning.

Number One, Tons of Fun!

Our little learners took their first joyful steps into the world of numbers with an exciting exploration of the number one! Through engaging activities like playful counting, sensory exploration and interactive games, the tiny tots squished, stacked and giggled their way through early numeracy.

Earth Day, Every Day!

MRG's young eco-warriors rolled up their sleeves and stepped into action as protectors of the planet. With tongs in hand and teamwork in full force, they took part in campus clean-ups and sustainability drives—learning that caring for the Earth begins with simple, meaningful actions. From picking up litter to sorting waste, they strengthened values of responsibility, environmental awareness and community spirit.

Go Green, Grow Bright!

Green Colour Day bloomed into a vibrant celebration as our youngest learners explored the wonders of nature's favorite hue. Dressed in cheerful shades of green, they painted leaves, crafted leafy art and joyfully immersed themselves in nature-inspired play. From stamping tiny palms in paint to planting saplings, every moment was a step toward nurturing environmental love and sensory growth.

Summer Fruit Fiesta: A Splash of Joy and Learning!

Our Nursery graders lit up the day in vibrant summer attire as they dove into a world of fruity fun! Through engaging, fruit-themed activities, they explored the colors, textures and tastes of seasonal fruits. Whether sorting, stamping or singing along to juicy jingles, every activity promoted healthy habits and sensory exploration.

Alligator Adventures

Through vibrant visual aids, fun-filled stories and comparison activities, our tiny tots grasped the concepts of greater than and less than with ease and excitement. As they made choices, matched signs and acted out the alligator's hungry decisions, they strengthened early numeracy, logical thinking, visual discrimination and language development.

Heroic Hustle

With bright headgear and beaming smiles, our young heroes dashed into action—matching tools to community helper roles like doctors, firefighters and chefs. Through this energetic relay, they built awareness of real-world professions, enhanced gross motor skills and engaged in joyful pretend play. It was a lively celebration of teamwork, learning and the everyday heroes who inspire us all!

Expressions in Action

Our young learners joyfully celebrated Emoji Day through expressive activities. From Emotion Pockets to an engaging emoji dice game, they confidently identified, articulated and embraced emotions—learning every feeling is important.

Vowel Power Play

With excitement and curiosity, our eager beginners searched the alphabet basket to find vowels, which they then placed on vibrant hand cut-outs. This focused activity strengthened phonological awareness, improved listening skills and boosted early reading and spelling confidence.

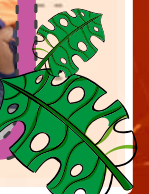

Golden Delight: World Honey Day

With excitement and wonder, the children dived into the golden world of honey, exploring its sweetness and essential role in nature. Through engaging, hands-on experiences, they learned about the busy lives of bees and how they help plants grow. To bring their learning to life, the children crafted colorful bees from paper sheets, gaining insight into the bees' features and their importance to the environment.

Van Mahotsav: Little Hands, Big Green Impact!

Our young nature lovers joyfully planted saplings, hugged trees, and created colorful handprints to celebrate Van Mahotsav. This heartfelt celebration sowed seeds of environmental awareness and love for a greener, brighter future!

Rhyme It Right!

Our Grade I learners enthusiastically explored rhyming words in the Find My Friend activity, enhancing their phonological awareness, reading fluency and critical thinking with lively, interactive and enjoyable wordplay sessions.

Hop, Spot and Learn!

With great enthusiasm, our young learners embraced the Hop and Spot activity, blending movement with language exploration. This lively, hands-on experience made foundational concepts both enjoyable and memorable.

'आ' की मात्रा का आनंदमय संसार

कक्षा पहली के जिज्ञासु नन्हे विद्यार्थियों ने 'आ' की मात्रा की समझ को मज़ेदार खेल गतिविधियों के माध्यम से और भी मजबूत किया। चित्रों, शब्द कार्ड्स और रोचक खेलों की मदद से उन्होंने हिंदी की सुंदर दुनिया को खोजा और सीखने का आनंद उठाया।

Jump Into Addition!

In the energetic Hopscotch Activity, learners practiced forward addition by leaping from number to number. This movement-based learning reinforced counting-on skills, turning math into a lively, physical adventure!

Bundle Up with Numbers!

Through the Bundling Activity, our young learners grouped ice cream sticks into tens, building a solid understanding of place value. This tactile experience made abstract number concepts visual, concrete and fun!

Nature Detectives in Action!

With keen eyes and curious minds, our grade I learners eagerly explored the wonders of nature by sorting vibrant images into Living and Non-Living categories. This engaging activity sharpened their observation skills, fostered critical thinking and deepened their understanding of the natural world—all while sparking excitement for scientific discovery!

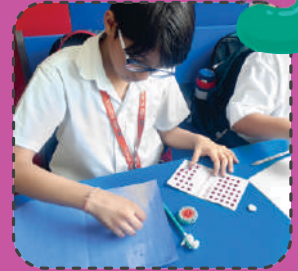

All about Nouns

To build a strong foundation in grammar, Grade II learners participated in a fun and interactive English activity titled All About Nouns. The aim was to help students identify and classify nouns as naming words for people, places, animals and things.

Artful Arithmetic

Our grade II Math Magicians crafted vibrant abacuses using colorful bindis, turning simple materials into powerful learning tools. This creative activity sparked curiosity and boosted critical thinking as students explored number concepts in a playful and experiential way. Through building and counting, they discovered how numbers work together—laying a strong foundation for future.

Habitat Hoppers

Grade II learners delved into the world of habitats with excitement and curiosity. During their nature walk, they observed a variety of natural spaces—tall trees, green bushes and hidden corners teeming with life. Inspired by their discoveries, they later illustrated their favourite habitats, proudly showcasing their creativity while reinforcing their understanding of where living things thrive.

Habitat Hunters

Grade II explorers ventured outdoors to uncover the hidden homes of plants and animals. With sharp eyes and eager steps, they spotted birds nesting in trees, ants on the move and colorful insects buzzing near bushes. This engaging exploration nurtured observation skills, environmental curiosity and a deeper appreciation for the living world around them.

रचनात्मकता की उड़ान: पंखा निर्माण गतिविधि

कक्षा तीसरी के नन्हे शिल्पकारों ने अपनी कल्पनाशक्ति और सृजनशीलता से रंग-बिरंगे पंखे तैयार किए। हर पंखा उनकी मौलिक सोच, परिश्रम और कलात्मक दृष्टि की सुंदर झलक प्रस्तुत कर रहा था। यह गतिविधि उनके लिए न केवल आनंददायक रही, बल्कि उन्हें रचनात्मकता के संसार से जुड़ने का अवसर भी प्रदान कर गई।

Capillary Quest

The Learner of Grade III brought science to life with a hands-on experiment titled Capillary Quest. By placing white flowers in colored water, they observed the petals gradually change color, visually demonstrating how water travels up the stem. This engaging activity deepened their understanding of how plants absorb and transport water.

Eco Explorers

On an exciting Eco Walk, young learners explored plants closely—observing roots, stems, leaves, flowers and fruits to understand their roles. They also identified living and non-living things by noting movement and growth. The activity sparked curiosity, sharpened observation skills and deepened their connection with nature.

Bone-ifying Creation

Unleashing the creativity and curiosity, the students of Grade IV crafted human skeletons using pasta in a fun, hands-on activity. By assembling bones piece by piece, they not only explored the skeletal system in detail but also developed fine motor skills and a deeper appreciation for the human body's structure.

Creature Classifiers in Action!

Young biologists of Grade IV, explored the fascinating animal kingdom by classifying creatures into vertebrates and invertebrates. With curious minds and keen observation, they identified structural differences, enhancing their understanding of body forms, habitats and movement—proving that science is all about asking, observing and discovering what lies beneath the surface!

A Scoop of Learning!

Students of Grade IV turned math into a treat by creating colourful ice-cream cones stacked with multiplication facts! Each scoop carried a number trick, helping them memorize tables the fun way. This hands-on activity blended creativity with calculation, making learning both fun and smart!

Flip Flop Roman

The learners of Grade IV enthusiastically participated in the Flip-Flop Roman Numbers activity, where they matched Hindu-Arabic numerals with their Roman counterparts. This fun and hands-on exercise helped strengthen their number sense, boosted memory recall and made learning Roman numerals both engaging and enjoyable through play-based exploration.

From Roses to Moss

As part of an enrichment activity, Grade V learners designed vibrant mind maps to explore the differences between flowering and non-flowering plants. Highlighting key features such as modes of reproduction and listing examples like rose and moss, the activity offered a clear visual representation of plant classification. Integrating art with science, it fostered deeper understanding and active engagement in a fun and creative way.

Echoes of Expression

Students of Grade IX brought the story- 'The Adventures of Toto' to life through vibrant monologues, slipping into the skin of each quirky character. With expressive dialogues, creative props and dramatic flair, the classroom transformed into a lively stage. The activity sparked imagination, confidence and a deeper love for literature.

रचनात्मक गतिविधि: 'मैं हूँ कथाकार'

इस गतिविधि के माध्यम से विद्यार्थियों ने यह सीखा कि कल्पनाशीलता से किसी भी कहानी को नया मोड़ दिया जा सकता है और निराशा में भी आशा की किरण छुपी होती है। यह प्रयास उनकी रचनात्मक सोच और संवेदनशीलता को उजागर करता है।

Ink Meets Imagination

Our learners of Grade X explored the art of Blackout Poetry, turning ordinary text into powerful verses through creativity and imagination. With every blacked-out line, students discovered hidden meaning—proving that poetry often lies between the lines, waiting to be revealed.

Tarsia Trails of Thought

The learners of Grade X immersed themselves in the exciting world of Tarsia puzzles, where learning met logic. As they pieced together intricate patterns, they unlocked concepts and sharpened problem-solving skills—proving that sometimes the best understanding comes not from books alone but from playful thinking and hands-on challenge.

JAM It Right!

In a thrilling Just a Minute session, students of Grade XI rose to the challenge of speaking impromptu — with no pause, no repetition and no hesitation. Bursting with energy, wit and flair, they tackled diverse topics with remarkable spontaneity. The activity ignited sharp thinking, quick articulation and the courage to own the spotlight.

Power of the Ballot

The young enthusiasts of Grade XII conducted an engaging session on the 2024 Lok Sabha Elections, unpacking India's democratic spirit through mock polls, charts, discussions and multimedia. They explored vital themes—voter turnout, ethical voting, party dynamics and the Election Commission—nurturing civic sense, analytical thinking and responsible citizenship among their peers.

MRG SCHOOL

MRG School celebrated its 13th Founders' Day with grandeur and reverence, paying tribute to the visionary legacy of its esteemed founder, Late Shri Mange Ram Goel . The occasion was graced by the honourable presence of Major Yash Mor, a decorated war veteran and proud recipient of the Sena Medal, alongside the school's dignitaries.

The event commenced with dignitaries offering a floral tribute at the bust of our visionary, Late Shri Mange Ram Goel. This solemn act paid homage to his enduring legacy and reflected the deep admiration he continues to inspire through his remarkable contributions.

13th Founder's Day

The event featured a vibrant showcase of sustainability-themed student projects and artworks, alongside innovative, subject-specific TLMs crafted by faculty. This creative display stood as a testament to the enduring legacy of our esteemed founder—one that transcends the institution's walls and thrives in the vision it cultivates.

The celebration was adorned with a vibrant array of student performances, including a thought-provoking Nukkad Natak centered on the pressing modern theme of mobile usage, prompting meaningful introspection. Complemented by captivating dance sequences and soulful musical renditions, these cultural presentations elegantly set the tone for the day's proceedings.

A significant highlight of the event was the award ceremony, held to honour the academic excellence of the school's scholar-students. They were felicitated with certificates, scholarships and blazers—symbolic of the school's recognition of their unwavering dedication, perseverance and hard work.

As the day unfolded in celebration of creativity and achievement, a moment of immense pride was marked by the unveiling of a cherished chronicle of MRG School's journey—our annual magazine, Alankrita. Meticulously curated by the editorial team and lovingly nurtured by our dedicated teachers and talented students, Alankrita stood as the voice of MRG, echoing the vibrant spirit of our school community.

The event culminated with the felicitation of the administration team and support staff—a group that forms the very backbone of MRG School. They were honoured not merely for the tasks they perform, but for the integrity, dedication and unwavering commitment they embody in every aspect of their work. Their quiet yet powerful contributions form the foundation upon which the school stands tall.

A Toast to Togetherness

99

MOMENTS 2025

MRG School celebrated the boundless love of mothers through a heartwarming Mother's Day celebration. The event provided a delightful platform for mothers to shine and showcase their creativity in a series of engaging activities such as Creative Canvas, Mom's Secret Delight, The Glam Duo ramp walk and Dancing Duos. Mothers and their children participated enthusiastically, displaying remarkable talent, coordination and affection. The celebration offered a meaningful opportunity for both mothers and children to express their love and strengthen their bond. The day was filled with joy, warmth and the essence of motherhood, leaving behind cherished memories for all.

Father's Day at MRG School echoed with enthusiasm, laughter and unforgettable moments as fathers came together for a high-spirited Basketball Match. The court turned into a celebration of strength, unity and joyful competition. With every dribble and cheer, bonds deepened and smiles widened. It was more than a game—it was a tribute to fatherhood, filled with fun, togetherness and memories that will last a lifetime.

BREATHE & BLOOM

MRG School celebrated International Day of Yoga with great enthusiasm, embracing the theme "Yoga for One Earth, One Health." Organized in collaboration with the International Naturopathy Organization and the Ministry of AYUSH, the session was led by expert practitioners who guided participants with grace and precision. Parents, teachers and students united in the spirit of wellness, making the event a powerful reminder of the importance of balance, vitality and collective harmony.

The Learning Triangle : Staff and Students in Action

PRINCIPAL

Thriving Through Stress

Our esteemed Principal, Ms. Anshu Mital, led an inspiring and transformative workshop on Stress Management at M.M. Public School, welcoming educators and school leaders from across the city. The session delved deep into the importance of emotional resilience and self-care, offering practical strategies and heartfelt reflections. It created a nurturing space for rejuvenation, connection and growth. A truly enriching day—celebrating the collective journey toward well-being and balance in education.

Awareness, Action and Resilience

Our Principal, Ms. Anshu Mital, participated in the PRP Programme on Disaster Management and engaged in powerful discussions on preparedness and crisis response. Her presence reflected a deep commitment to building safer learning spaces and empowering communities with knowledge, strength and resilience for a future that is secure, informed and ready. The session brought together visionary educators dedicated to proactive action and strategic planning in times of adversity.

TEACHERS

Illuminating Minds, Shaping Future

The workshop by SCERT Experts empowered MRG educators with a comprehensive understanding of the policy, featuring expert presentations and interactive discussions. Teachers found it informative, engaging and relevant to their professional development. The session provided opportunities for collaboration and sharing best practices, leaving participants feeling empowered to implement NEP 2020 effectively.

Shriportal Mastery

MRG School successfully concluded a transformative Teacher Workshop on Shri Portal Training, sparking a new wave of innovation in teaching practices. Educators were empowered with digital tools and insights, enhancing their capacity to create dynamic learning experiences. It marked a significant step towards academic excellence and shaping future-ready minds.

Empowering Excellence for Differentiated Learning

MRC's educators gathered for an inspiring workshop on differentiated learning, led by esteemed resource persons, Ms. Shweta Bhagria and Ms. Ishita Sanyal. The session explored innovative strategies to tailor instruction to diverse student needs, equipping our teachers with valuable tools to create personalized learning experiences that foster academic excellence and student success.

Modulating Voices, Inspiring Learners

The recent Voice Modulation, Puppet Animation and Ventriloquism workshop was an enriching experience, equipping our facilitators with innovative techniques to amplify expression, foster creativity and refine communication skills. With practical expertise in voice modulation, puppetry and ventriloquism, they are poised to craft engaging and interactive learning experiences for our students.

STUDENTS

Unlocking Internship Opportunities

A seminar on Internships was organized by 'Hamari Pehchnaan NGO' for students of Grades X to XII. The session provided valuable insights into the various internship opportunities available to young learners, emphasizing the importance of building a strong professional profile. Key topics covered included ideation, project planning and social entrepreneurship—essential components for success in internships. Additionally, the seminar encouraged students to develop practical skills and gain real-world experience, preparing them to make informed career choices and enhance their future prospects.

A Collaborative Approach to Teen Well-Being

A workshop titled Navigating Teen Challenges During Adolescence was conducted for students and parents of Grades X to XII by Major Mohammad Ali Shah. The session provided valuable insights into understanding and managing the various emotional, social and academic challenges faced by teenagers today. Following the workshop, our respected Principal, Ms. Anshu Mital, engaged participants in an interactive question-and-answer session, addressing concerns and offering guidance. This collaborative event fostered open communication between students, parents and educators, reinforcing the school's commitment to supporting adolescent well-being and development.

Trips & Excursions

TRAVEL

CHAIL

Hills, Heritage & High Spirits!

MRG School organised an unforgettable 4-day adventure for Grades X to XII in the serene hills of Chail and Shimla. From adrenaline-filled ziplining to heritage visits like Chail Palace and the Viceroy Lodge, students experienced a rich fusion of exploration and excitement. Bonfires, scenic trails and team activities made it a journey of camaraderie and lasting memories.

Roaring with Excitement!

Our young explorers embarked on a thrilling excursion to watch Mufasa. Captivated by the majestic landscapes, vibrant characters, and enchanting storytelling, they returned brimming with awe, delight, and cherished memories.

Bright Beginnings

Financial Literacy

Theatre

Table Tennis

At MRG School, education has consistently transcended conventional boundaries, evolving into a transformative journey that shapes lives. This philosophy was brought to life through the launch of visionary initiatives—Financial Literacy -to instill real-world financial prudence, Theatre - to nurture and articulate self-expression and Table Tennis - to cultivate agility, focus and resilience. These endeavours aim to empower MRGians navigate complexities with wisdom, authenticity and grace—imparting learning that resonates, endures and leaves an indelible legacy.

New Programs, New Possibilities!

Chitranshi Garg clinched the I Position and Shaan secured the II Position at the Inter-school Yoga Competition held at NK Bagrodia School, Dwarka.

Mohita Rathore of Grade V mesmerized the audience with her rhythmic grace, receiving Jury Appreciation in Eco Rhythm Dance at Suraj Bhan DAV School.

Utkarsh Gupta and Ashika Jain of Grade VIII demonstrated scientific acumen, bagging III Position in the event Science of Everyday Wonders at Brain International School.

Aakriti Shokeen and Anaisha Aggarwal of Grade II showcased their artistic flair, securing II Position in Tiny Citizen Expressions at Mount Abu Public School.

Pinnacles of Pride

Inter-School Accomplishments

Rayna Roy and Aashia of Grade VIII infused creativity into every stroke, achieving II Position in Muddy Instincts (Art) at DAV Public School.

Riddhi Mittal and V Tanishq of Grade XI impressed everyone with their persuasive articulation, earning III Position in Echoes of Justice at Mount Abu Public School.

Mahi Maggo of Grade III turned trash into treasure, clinching I Position in Waste to Wonder at Jain Bharti School.

Inter-House Achievements

The Fitness Challenge

An inter-house competition for Grades XI and XII was held, offering an exciting fitness challenge marked by strength, enthusiasm and house spirit. Participants delivered a dynamic performance, demonstrating impressive determination, teamwork and a strong sense of pride.

Housefit 2025

HOUSEFIT 2025, the school's vibrant sports competition, saw Maanvir Singh of Excellence House and Tanishq of Integrity House crowned Best Athletes. Their outstanding skills, determination and sportsmanship throughout the event earned them this well-deserved recognition, inspiring their peers and exemplifying the true spirit of competition.

The Athletic Showcase

In an exciting athletic showcase, young athletes from Grades I and II actively participated in a range of sports and race competitions organized by our school's Sports Guru Team. Their enthusiastic participation and outstanding performances were recognized with well-deserved prizes.

Earth Day Hat Parade

Grades I and II enthusiastically participated in an Earth Day Hat Parade Competition, showcasing their creativity and environmental awareness. Using recycled and waste materials, the young learners designed unique and imaginative hats that reflected the theme of sustainability. The activity encouraged students to think about reusing everyday items while celebrating the spirit of Earth Day in a fun and engaging way.

Comical Saga

An engaging Inter-House competition was held for Grades III to V, where students enthusiastically created comic strips based on the theme of Earth Day. They showcased impressive creativity and original ideas, and the most outstanding entries were awarded certificates.

Game with a Green Twist

Students of Classes VI–VIII showcased their creativity in Your Games – But with a Green Twist, designing fun, educational games focused on environmental issues and sustainable habits. Through innovative game play, they raised awareness about pollution, deforestation and conservation, making learning about eco-friendly living both engaging and impactful.

Race on Wheels

Our skilled athletes from Grades III to V delivered impressive performances in the Inter-House Skating Competition, securing multiple winning positions across various categories. With great enthusiasm and determination, the participants showcased their talent, balance and speed, earning well-deserved recognition for their efforts and bringing pride to their respective houses.

Eco Fabrica

Our students participated in Eco-Fabrica: Paint for the Planet, promoting sustainability through fabric-based art. The event beautifully blended environmental awareness with artistic expression, inspiring all to take small steps toward a greener future.

Art, Expression and Action

As part of the Art, Expression and Action event, students of Grades IX and X showcased remarkable creativity in Visual and Performing Arts. The best entries were acknowledged with certificates, celebrating their impactful messages on environmental awareness and sustainability.

Pitch Perfect: Inter-House Girls Cricket League

Empathy House triumphed in the Inter-House Girls Cricket Competition 2025, delivering a stellar performance marked by discipline and teamwork. Their players shone with sharp bowling and fearless batting, securing a thrilling win in the final match. The event celebrated girl power, sportsmanship and the unstoppable spirit of young cricketers!

Alumni Echoes

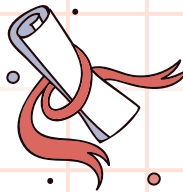

DAKSH JAIN

The years spent at our school were some of the most memorable times of our lives. We are grateful for the guidance and encouragement from our teachers, who always believed in us. The friendships we formed here have turned into lifelong bonds, and the memories of events, competitions and celebrations still bring smiles to our faces. Our school gave us the confidence to dream big and the determination to work towards our goals. The values of honesty, discipline and respect continue to guide us, making us proud to call ourselves the alumni of this wonderful institution.

SAANJH SETH

Our school journey was filled with unforgettable experiences that shaped our lives in countless ways. The support and encouragement of our teachers played a vital role in building our confidence and character. We learned not just academic lessons but also values like kindness, teamwork and perseverance. From annual day events to classroom fun, every moment remains etched in our hearts. The friendships formed during this time are priceless treasures that we will cherish forever. We feel proud to be associated with a school that gave us knowledge, inspiration and the strength to face the challenges of life.

SURBHI JAIN

Looking back at our school years fills our hearts with gratitude and joy. The dedication of our teachers and the warm, encouraging environment allowed us to grow into confident individuals. We learned the importance of honesty, respect and hard work, values that continue to guide us even today. The friendships and memories made here are irreplaceable and have given us moments of laughter and learning. School events, competitions and activities taught us teamwork and leadership. As proud alumni, we carry forward the values and teachings of this great institution, which laid the foundation for our success and happiness.

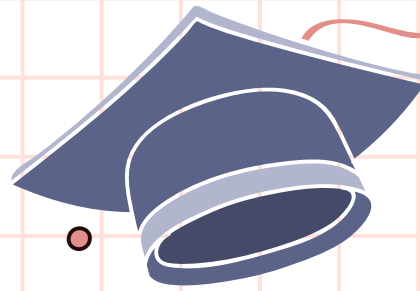

SHUBHAM JAIN

School life was truly the golden period of our lives, filled with moments of joy, laughter and valuable lessons. Our teachers were our greatest mentors, inspiring us to explore our potential and work hard towards our dreams. Every event, classroom discussions and celebration added to our personal growth and confidence. The bonds of friendship that began here are still cherished and celebrated. Our school not only educated us but also shaped our character and values. We are proud to be alumni of an institution that taught us the true meaning of unity, dedication and perseverance in life.

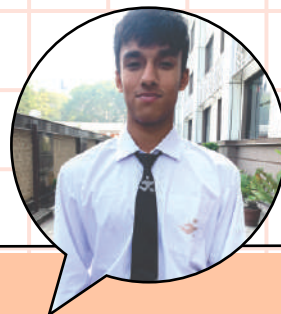

GAURI SINGH VATS

Our school played a significant role in shaping our personality and outlook on life. The encouragement and guidance of our teachers helped us discover our strengths and overcome challenges. We learned the importance of integrity, discipline and compassion, which remain with us to this day. The memories of fun-filled events, class activities and group projects continue to bring joy. The friendships made here have become like family, offering support and love through all phases of life. We are proud alumni of this wonderful school that gave us a solid foundation for success and the courage to follow our dreams.

YUG KOHLI

The time spent at our school was truly life-changing and unforgettable. Our teachers inspired us to think critically, aim high and work hard. Every classroom lesson and extracurricular activity taught us something new about life, teamwork and perseverance. The school has always supported me in cricket and this encouragement played a major role in boosting my confidence. The friendships we built during this time are among our most valued relationships. Our school gave us endless opportunities to learn, explore and grow. We feel blessed to have studied in such an institution where every student was nurtured with care and respect. As proud alumni, we carry forward the legacy of excellence and integrity that our school represents.

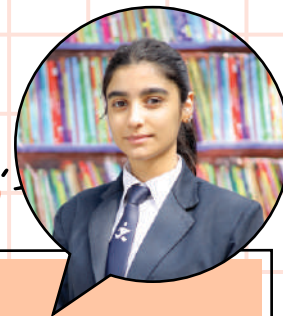

ARYAN GUPTA

Our journey at school was one of growth, learning and creating beautiful memories. The constant support from our teachers helped us overcome challenges and discover our true potential. We learned values such as respect, honesty and dedication that continue to guide us in life. The various school events, competitions and celebrations gave us opportunities to showcase our talents and learn teamwork. The friendships we formed here are lifelong bonds we truly treasure. We are grateful to our school for building our confidence, nurturing our dreams and shaping us into responsible individuals who are proud to call this place home.

VIDHI GUPTA

Reflecting on our school days, we realize how much this institution has contributed to our lives. It gave us the foundation for success, both academically and personally. Our teachers, with their endless patience and guidance, taught us lessons that extended beyond textbooks. The memories of sports days, cultural programs and classroom discussions bring a smile to our faces. We owe our confidence, values and determination to this school. The friendships we forged here have stood the test of time and continue to be our greatest support. We proudly call ourselves alumni of such an inspiring and nurturing institution.
