Message from the Chairman's Crest

"The path to success is paved by those who find deep satisfaction in their endeavors."

— Anonymous

Dear Readers,

At MRG School, this philosophy is not merely echoed but it is also embodied. For us, education goes beyond academic benchmarks; it is a joyful and purposeful journey that nurtures excellence, integrity and a lifelong love for learning. With every milestone, we raise the bar not only in achievements but also in the values we cultivate, the leaders we shape and the inclusive community we nurture.

In recent months, our students have brought immense pride to the MRG family with their accomplishments at National, Zonal and Inter-School platforms. From sports arenas to cultural stages and academic pursuits, their triumphs reflect not just talent but the synergy of passion, perseverance and vision.

MRG School is steadily becoming an epitome of holistic success—a place where learning is driven by curiosity, guided by purpose and strengthened by a powerful triad: dedicated educators, engaged parents and inspired learners. Our commitment to fostering creativity and critical thinking ensures that each child is prepared to face future challenges with confidence and resilience.

It fills us with pride to see our teachers recognised by renowned organisations for their innovation and commitment. A reflection of the transformative work unfolding within our classrooms. Their dedication inspires us to continually elevate our standards and embrace new horizons.

As we look ahead, our resolve remains clear: to cultivate a space where joy meets ambition and every child is empowered to dream, grow and succeed.

Warm Regards

Shri Davender Kumar
(Chairman)

"Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful."

– Albert Schweitzer

Dear Cherished Readers,

With great pride and a heart full of gratitude, I pen this reflection on yet another extraordinary chapter in the journey of MRG School. As we continue our pursuit of excellence, we carry with us the vibrant memories of recent accomplishments and the joy that these milestones have brought to our community.

Our Investiture Ceremony unfolded as a grand celebration of leadership and responsibility. The newly elected student council took their place on stage, embodying the spirit of service, determination and solidarity. With each badge of honor carefully pinned, these young leaders pledged their commitment to guiding MRG School toward a future brimming with success, carrying forward the core values that bind us.

August stirred our souls with the reverence of patriotism as we marked Independence Day with grace and enthusiasm. The campus came alive with heartfelt cultural performances and inspiring speeches. It was a stirring tribute to our nation's glorious heritage, a reminder of the collective strength and unity that drives us forward.

As seasons turned, we honored the torchbearers of wisdom on Teachers' Day. Our educators, the true architects of our students' success, were celebrated for their unshakable dedication and boundless passion. The joy and reverence that poured from our students' tributes stood as a testament to the deep respect we hold for our guiding lights.

This quarter, our students also brought laurels to MRG School with their spectacular performances at the Zonal events and Inter-School competitions. From sports to cultural contests, their outstanding achievements illuminated the values of perseverance and passion that our school nurtures. These moments of triumph reflect the harmony between student potential and mentor guidance, a synergy that makes our school a shining beacon of talent and innovation.

As you explore the pages of this edition of MRG BITS, immerse yourself in these stories of growth, unity and success. Together, with the unwavering support of our parents, the dedication of our students and the tireless efforts of our remarkable staff, we will continue to craft a future filled with promise and possibilities.

With Warm Regards

Rajjath Goel
(Director)

Message from the Director's Desk

Message from the Principal's Podium

"It's purpose of education is to instruct one to think deep and to think hard. Intelligence and character—that's the aim of real education."

-Martin Luther King Jr.

Dear Readers,

At MRG School, we think education is more than classrooms. It's a path that shapes personality, creates integrity and guides the impressionable intellect into becoming a conscientious global citizen. Every year we redouble our dedication to well-rounded development, where academic excellence intersects with cultural vibrancy, leadership and artistry.

This quarter delivered flashpoint moments that captured our school's dynamic energy. At the Investiture Ceremony, our young leaders took an oath to be responsible, honest and serve the school community. They led bold leaps into leadership – the beginning of a journey powered by boldness and foresight.

The festivities brought patriotism to our campus. Our students paid tribute to our heroes' sacrifices with dance performances, skits and songs. They reminded us to never take freedom for granted. The magic of traditions sparkled, during the Janmashtami celebrations and the vibrant Teej Mela, as students and parents united in a jubilant celebration of culture, creativity and community.

The Teachers' Day celebration was just as heartwarming. This day made us remember our teachers who, apart from textbooks, ignite inquisitiveness, inculcate ethics and encourage dreams.

Our students also glorified the school with their stupendous performances not only at zonal and inter-school competitions but also at Nationals. From academic to debates to cultural programs and sports their accomplishments speak volumes about their discipline and resilience bolstered by our committed faculty.

As Confucius once sagely noted, 'Our glory is not in never falling, but in rising every time we fall.'

This magazine volume celebrates all these journeys — dreams cultivated, integrity preserved and triumphs achieved. And may it motivate each one of you to have faith in persistence and the magic of continual development.

With Heartfelt Wishes

Ms. Anshu Mital
(Principal)

Where Young Hearts Meet Golden Years

The students of MRG School visited Shiv Ashray Old Age Home, carrying warmth and youthful joy into the hearts of the elderly. As they listened to life's timeless stories and shared laughter across generations, the experience blossomed into a bond of love and respect. It was a reminder that true happiness lies in compassion, gratitude and cherishing the wisdom of those who walked before us.

Greening the Present, Guarding the Future

With hearts full of hope and hands nurturing the earth, our young learners participated in a plantation drive at Pacific Mall, NSP, Pitampura. Each sapling planted symbolized a promise—to cherish, protect and sustain Mother Earth. This green endeavour instilled deep values of care, gratitude and responsibility, echoing MRG School's vision of raising environmentally conscious citizens.

MRGians Sweep in Change!

Under the "Delhi Ko Kude Se Aazadi" campaign, in collaboration with the Municipal Corporation of Delhi (MCD), students of MRG School undertook a meaningful cleanliness drive. Stepping into their local neighborhoods, these young ambassadors not only cleared waste but also raised awareness on hygiene and civic responsibility- igniting a powerful movement toward a cleaner, greener Delhi.

Community

The Savitribai Phule Samman: A Pillar of Educational Excellence

Our revered Principal, Ms. Anshu Mital, has been honored with the esteemed Savitribai Phule Samman 2025. This award, presented by Indraprastha School Sahodaya & Delhi Sahodaya Schools Complex, celebrates her remarkable contributions to educational initiatives. It recognizes her as a pillar of excellence, fostering a nurturing and collaborative environment that continues to elevate learning and holistic development within our community.

Nurturing Minds: The Teacher at Par Excellence Award

It is with profound pride that we extend our heartfelt congratulations to Ms. Shikha Talreja, our distinguished Primary English Teacher, for her remarkable achievement. She has been conferred with the prestigious Teacher at Par Excellence Award by IIHM. This esteemed accolade is a powerful testament to her unwavering dedication and the profound, transformative influence she has on our youngest learners.

Weavers of Wisdom: The Savitribai Phule Award

We are thrilled to celebrate our dedicated educator, Ms. Latika Sharma TGT Social Science, who has been honored with the prestigious Savitribai Phule Award from Indraprastha School Sahodaya. This accolade is a beautiful testament to her role as weaver of wisdom, as she skillfully guides students with a blend of profound knowledge, heartfelt compassion and an unwavering passion for learning.

Exemplary Educator, Celebrated Mentor

We take immense pride in celebrating Ms. Sonia Arora, PGT Mathematics, who has been bestowed with the prestigious Dr. Sarvepalli Radhakrishnan Award by the Nirmal Foundation and O.K. Foundation at O.K. Model School, Dwarka. This esteemed recognition honours her unwavering commitment, transformative teaching and exemplary mentorship — as she continues to illuminate young minds with the elegance and power of mathematics.

Celebrating a National Pillar in Education

MRG School takes immense pride in announcing that our distinguished educator, Ms. Shivani Khanna, TGT Hindi, has been conferred the esteemed Pillar of the Nation Award 2025 by Dr. Radhakrishnan Self Help Group. Her unwavering devotion to transformative education, profound grasp of child psychology and relentless pursuit of nurturing young minds reflect an extraordinary legacy. She is indeed, a guiding light in the realm of learning.

Honoring Excellence in Content Review

We proudly acknowledge Ms. Bhavika Kapoor, TGT English, Ms. Namrata Choudhary, TGT Science and Ms. Pooja Goel, PGT Biology for receiving the Certificate of Recognition from Oswaal Books Foundation. Their meticulous review of academic content has ensured accuracy, clarity and student-friendly learning resources. This recognition celebrates their dedication, commitment and valuable role in enhancing the quality of educational material for learners across the nation.

Celebrating Excellence in Education

Celebrating Expertise

Ms. Rupal Kansal TGT Science has been honored by Educart Publications for her significant contribution as a subject expert in Biology for Classes IX to XII. Recognized for her meticulous content review, she expresses deep gratitude for the acknowledgment by such a reputed educational publisher and looks forward to continued collaboration in shaping quality academic resources.

Inspiring Through Innovation

MRG School proudly congratulates Ms. Isha Chopra, Elementary Teacher, for securing a place among the Top 10 Champions of Change and the Top 5 Contenders in Teach-A-Thon 2025 by Bharti Airtel Foundation and The Teacher App. Her creativity and commitment to impactful teaching continue to inspire the MRG community.

Rashtriya Shiksha Ratna Samman

We are delighted to share that Ms. Sanjana Bhalla, PGT Commerce, has been honored at the National Eduleaders Summit-2025 & PSM Rashtriya Shiksha Ratna Samman 5.0, organized by the Preethvi Abhyuday Educators Association-India at Amity University, Punjab. This prestigious recognition celebrates her dedication, excellence and invaluable contribution to the field of education. Her achievement is a moment of immense pride and inspiration for the entire school fraternity.

Urjaa Global Educators Award & Conclave 25

Ms. Suhani Gauri and Ms. Shakti Bhandari were honored with the Urjaa Global Educators Award & Conclave 25, a prestigious recognition celebrating their outstanding dedication, innovation and impact in the field of education. This award acknowledges the invaluable contributions of educators who inspire young minds and play a pivotal role in shaping a brighter future.

Young Authors, Big Dreams

Our young authors proudly participated in the BRIBOOKS Summer Book Writing Festival 2025, showcasing their creativity and imagination through beautifully written stories. Their efforts have been rewarded with the joy of seeing their books published and made available on Amazon. This remarkable achievement reflects their talent, hard work and passion for writing, inspiring many others to follow their dreams.

Golden Kick to Glory!

We are delighted to share that Livanshi of Grade X has brought immense pride by winning a Gold Medal in the Delhi State Taekwondo Competition. Her remarkable skill, discipline and determination have earned her a spot at the SGFI Nationals. We wish her continued success as she represents our school further with excellence and spirit!

DAY CELEBRATION

T

E

H

S'

D

The celebration of Teachers' Day at MRG was a heartwarming tribute to the dedication and influence of our educators. The event featured a range of student performances, including heartfelt songs, energetic dances and insightful skits, all created to honor and appreciate the teachers' contributions. In addition, special titles were awarded to teachers in recognition of their exceptional commitment and impact, adding a personal touch to the festivities. The celebration not only showcased the students' creativity and gratitude but also fostered a sense of mutual respect and admiration, making the day both memorable and meaningful for the entire school community.

Dear Educators,

On this Teachers' Day, I extend my heartfelt greetings and deepest appreciation to our teachers, the true pillars of MRG School. You are the torchbearers of knowledge, values and inspiration for our students, and it is through your dedication that our institution continues to grow in excellence. This edition of MRG BITS is made more meaningful and memorable because it celebrates you—not only as educators but as mentors who shape young lives with wisdom, patience and compassion. I am immensely proud to share that the brilliance of our teachers has been recognized at prestigious platforms with awards such as the Teacher at Par Excellence Award by IIHM, the PAAI – Dr. Sarvepalli Radhakrishnan Excellence Award and the Savitribai Phule Award. These accolades are a testimony to your relentless commitment and the extraordinary standards of teaching you bring to our classrooms every day. On behalf of the management, I salute your spirit of excellence. May you continue to inspire generations with your knowledge and values, and may MRG School always shine through your guidance.

With Warm Regards and Gratitude,
Major General Dr. Dilawar Singh
(Executive Chairman)

Dear Teachers,

I express my deepest veneration and appreciation to all our teachers for their unwavering dedication, unrelenting passion and exemplary commitment in shaping the intellectual and personal trajectories of our students. You all are the unseen luminaries of life, the perennial gardeners of hope, working tirelessly to craft engaging lesson plans and providing constructive feedback to your students that facilitates their cognitive and emotional development. The dedication, expertise and passion for teaching shown by you are beacons of hope for future generations. To revere a teacher is to revere the very flame of learning itself. A Very Happy Teachers' Day!

Warm Regards
Mr. Sheelam Seth (CEO, Shri Educare Ltd.)
(Member of Management Committee)

To the Incredible Teachers of MRG School,

I feel both proud and humbled to share this message with you. As a surgeon and former medical teacher, I have seen firsthand how a teacher's influence stretches far beyond any classroom. You don't just teach subjects; you build futures, brick by brick. Being associated with MRG school has shown me the remarkable progress you have made. This is a direct result of your dedication and that of your principal. This note is a celebration of all of you—not just for what you teach, but for how you inspire and shape character. Wishing you a Happy Teachers' Day filled with joy and appreciation. May your passion for mentoring continue to burn brightly.

Warm Regards
Dr. Basudev Ghosh (Ophthalmologist)
(Member of Management Committee)

Dear Educators,

On this special day, we celebrate our teachers—the true agents of change. The powerful relationships you forge with our learners are the very foundation of MRG School's culture. These bonds are a pinnacle of engagement and social connections. You are more than educators; you are mentors, game-changers and innovators. Our shared journey with Shri Educare and modern tools like AI showcases our commitment to progress. Thank you for consistently empowering our students and shaping their brighter futures. Let us continue to evolve, learn and grow together as we inspire the next generation to be responsible and compassionate global citizens.

With Best Wishes and Blessings
Rajender Shah (VP Operations, Shri Educare Ltd.)
(Member of Management Committee)

From Hearts to Teachers

It is hard to truly express my gratitude for my teachers. Their endless support and encouragement shape our confidence and growth. Thank you for making learning both fun and meaningful. For me, it's not just September 5th—every day feels like Teachers' Day because of the impact you have made.

VANYA GUPTA
(III A)

Hanshika Shokeen
(XI C)

Joining MRG in Grade IX has been a wonderful journey of growth and confidence. My teachers helped me find my voice, enhance my oratory skills, and shape my personality. Heartfelt thanks for your constant guidance and support. Wishing you all a very Happy Teachers' Day!

I am truly blessed to be a student at MRG School. My teachers are like my second family—they care for me, guide me and support me in every way. I never hesitate to ask questions because they are always patient and kind. Their love and encouragement help me grow every single day. I, truly appreciate and admire all my teachers.

MAYRA SINGH
(III C)

ANUSHKA HANDA

CHITRANSHI GARG
(VI C)

Teachers do more than deliver lessons from textbooks — they shape our minds, values and the paths we take in life. On this special day, I want to express my heartfelt thanks to all my beloved teachers for their belief in me, their trust, their support, and above all, their vital role in shaping who I am today. I owe all my success to each one of you.

MRG has been a place where we've grown not just in knowledge but also in character and confidence. The guidance and care of our teachers have helped us discover our true potential. Heartfelt thanks for shaping our journey so beautifully. This quote fits in the best to describe this special day: विद्या ददाति विनयं, विनयाद्याति पात्रताम्। पात्रत्वात्स्नमाप्नोति, धनात्स्नं ततः सुखम्॥ Wishing you a very Happy Teachers' Day!

A good teacher explains, a great teacher inspires. Thank you for being a great inspiration for us. On this Teachers' Day, I just want to let you know that your belief in me has pushed me to learn and grow. Thank you so much for paying attention to growth rather than books. Thank you for the constant support beyond school life. Happy Teachers' Day!

Celebrations @MRG

Capturing Memories,
Celebrating
Moments!

MRG School celebrated Teej Mela 2025 with great enthusiasm, turning the campus into a vibrant cultural haven. Traditional decorations, joyful music and festive swings filled the air with excitement. A delightful array of stalls showcased rich traditions, while delicious festive delicacies added flavor to the celebration. The event beautifully blended joy and education, helping students connect and appreciate the deep-rooted significance of their cultural heritage.

Teej Mela

Dandiya Beats

MRG School came alive with colour and culture during its vibrant Dandiya Night celebration, uniting students, parents and staff in the joyous spirit of Navratri. Traditional music and the rhythmic clatter of dandiya sticks set the tone for an evening of energetic garba and dandiya performances. Dressed in festive attire, participants danced under dazzling decorations, while food stalls served up delicious traditional treats. The night concluded on a high note with exciting prizes and warm memories — a perfect blend of celebration, community and culture.

MRG School came alive with devotion and vibrant celebrations on the joyous occasion of Janmashtami, commemorating the birth of Lord Krishna. The campus was transformed into a colorful tapestry of music, dance and spiritual fervor. Our learners from the primary wing captivated all with their lively performances, bringing Krishna's tales to life. The celebration fostered unity, joy and a deeper connection to our rich cultural heritage.

Janmashtami

Grandparents' Day

The Grandparents' Day Celebration at MRG School was a heartfelt symphony of joy, nostalgia and connection. Our young MRGians expressed their love through touching performances, while grandparents embraced the moment with cheerful games, a charming retro walk and spirited dance moves. The air was filled with laughter, warm embraces and timeless memories—celebrating a bond that transcends generations and continues to fill our hearts with love.

THE KALEIDOSCOPE OF KNOWLEDGE

Whispers of a Blue Day

Our Tiny tots celebrated Blue Colour Day with ocean-themed fun, creative activities and joyful learning, exploring the calmness, beauty and creativity of blue.

Dancing in the Rain

Our Nursery kids gleefully enjoyed the rain dance, moving to lively monsoon tunes. With bright raincoats and cheerful umbrellas, their energy and smiles made the day truly magical.

Role Play- Freedom Fighter

Dressed as role models and freedom fighters, our learners beautifully showcased the values of courage, sacrifice and leadership. Their powerful role plays reminded us of the strength and vision of those who shaped our nation, inspiring us all to follow in their footsteps.

Coding and Counting

Our little learners matched numbers with colorful raindrops, Learning math the playful way. Each drop brought joy and learning together, Colors + Numbers = Double Fun!

Connect the letters

Using the turtle cut-outs, our kids connected letters with focus and excitement. The activity encouraged concentration and boosted memory power. This play-based learning made phonics enjoyable for little learners.

Cotton Colour Splash

Our Cotton Colour Splash activity turned simple cotton pads into magical rainbows. With just sketch pens and water, little hands created a burst of colors, filling the day with creativity, joy and wonder!

Festive Fun with Ganesha

Our tiny tots celebrated Ganesh Chaturthi joyfully, making sweet modaks using fireless cooking and enjoying stories about Lord Ganesha. Their smiles and excitement made the festive spirit truly come alive.

Scooping and Match Delight

Our little learners had a delightful time during the scooping and matching activity! With tiny hands busy scooping and sharp eyes matching objects, the children not only had fun but also built focus, coordination and problem-solving skills. This joyful activity turned learning into play, filling the classroom with smiles and excitement.

Pick Place and Shape

Our young learners enjoyed the Pick, Place and Shape activity! By identifying and placing shapes correctly, children strengthened their thinking skills, hand-eye coordination and creativity. Learning about shapes became a joyful hands-on experience filled with fun and discovery.

Joyful Jellyfish Journey

Our kindergarten ocean explorers crafted vibrant jellyfish with paper and colors. With laughter and creativity, their tiny hands brought the magical underwater world to life.

Nature's Little Guardians

Brimming with enthusiasm, our kindergarteners lit up the stage as trees, birds, the sun, and more — presenting a lively celebration of nature's beauty and a gentle reminder of our duty to safeguard it.

Shake it Up!

Our learners of Grade I joyfully created musical shakers using cans and vessels, exploring rhythm and creativity. The lively activity enhanced their fine motor skills and nurtured a joyful love for music.

Smiles of Friendship

Our KG enthusiasts celebrated Friendship Day with pure joy, exchanging colorful friendship bands tied with giggles. The day was filled with laughter and bright smiles as they embraced the true spirit of friendship and togetherness.

Little Heroes, Big Hearts

Our KG students, dressed in colorful costumes, confidently showcased community helpers. Through heartfelt presentations, they celebrated the importance of helping others and honoring everyday heroes.

Tiny Heroes of Freedom Tiny Tigers on the Prowl

Kindergarteners dressed as freedom fighters, striking patriotic poses. Adding charm, they crafted vibrant tricolour flags with handprints, making the Independence Day celebration lively and memorable.

Our little stars roared with excitement on Tiger's Day. Dressed as tigers, jungle friends, hunters and tourists, they celebrated wildlife through fun, learning and a spirit of adventure.

French Flag Fiesta

Our young creators brought the French spirit alive by crafting the tricolor flag with vibrant paper cutouts, turning art into a fun lesson on France's iconic blue, white and red.

Hop and Spot

Brimming with excitement, the young learners enthusiastically hopped onto nouns in a playful game that strengthened their understanding while making learning lively, engaging and joyfully interactive.

Shape Magic

Exploring measurements through creativity, our little enthusiasts discovered height, weight, length and capacity and illustrated self-portraits, transforming math into an exciting and meaningful learning adventure.

देशभक्ति की गुंज

कक्षा १ के छात्रों ने देशभक्ति की भावना को बढ़ाते हुए देशभक्ति के गीत और कविताएँ प्रस्तुत कीं। इस गतिविधि ने उन्हें देश के प्रति सम्मान और प्यार सिखाया।

Grammar Under the Sea

To strengthen learning on genders, Grade II learners designed vibrant fish cutouts and labeled them with different gender types, blending creativity with concept clarity.

Sounds Around Us

By tuning in to the sounds around, our Grade I students listened to various sound sources and illustrated what they heard, enhancing their auditory skills while sparking creativity in an enjoyable and engaging manner.

Material Hunt

Curious minds of Class II eagerly delved into Natural and Human-Made Materials through a lively, hands-on activity. By sorting and classifying objects, they deepened their understanding and connected learning with real-life applications.

Rainbow of Learning

Our young scientists at MRC School explored the fascinating process of dissolving using colourful gems and water. With curious minds, they observed how solids mix with liquids, turning science into a rainbow-filled learning experience!

Our Green Promise!

Our budding philanthropists from Grade I enthusiastically shared their thoughts on the importance of plants—promoting awareness about greenery, conservation and the need for a sustainable environment.

Subtract-o-Fun!

During a playful classroom activity, Grade II mathematicians enthusiastically created bundles of tens to explore regrouping strategies and developed a clear, confident understanding of subtraction.

Weather Watchers

Grade III learners actively recorded daily weather for five days, creatively presenting findings on colorful charts. They shared outdoors' observations, boosting their speaking, observation and presentation skills through hands-on learning.

Animal Tales and Traits

Our explorers from Grade III eagerly drew and described imaginative animals using vivid adjectives. They enjoyed guessing each other's creatures, enhancing their speaking, listening, writing skills and teamwork in a fun-filled activity.

Heroes in Action

Grade III students gleefully engaged in a role play of community helpers, embodying doctors, farmers, police officers and more. The activity nurtured eloquence, self-assurance and profound admiration for the indispensable roles of community helpers in society.

Subtraction Fun Flower

Grade III learners explored subtraction through a vibrant Flower Activity, matching petals with different subtraction sums to the central answer, enhancing their understanding with hands-on creativity and visual engagement.

Push, Pull, Play!

Exploring forces became exciting for our Grade II scientists as they were involved in a playful way in the Push and Pull activity. With teamwork and observation, the hands-on approach turned science into a joyful and meaningful experience.

मेरा प्रिय खेल

कक्षा ३ के नन्हें कहानीकारों ने "मेरा प्रिय खेल" विषय पर सुंदर चित्र-कथा लेखन गतिविधि की। रंग-बिरंगे चित्रों और अपने प्यारे शब्दों से बच्चों ने खेलों के प्रति अपना उत्साह और लगाव बड़ी ही खूबसूरती से व्यक्त किया।

Descriptive Delights

Grade IV students joyfully crafted vivid adjective poems on topics like flowers, animals and toys, sparking creativity, enriching vocabulary and deepening their appreciation for the beauty of expressive poetry.

Exploring Landforms Through Art

Our budding enthusiasts of Grade III created vibrant posters on mountains, deserts and plains, enhancing creativity, teamwork and presentation skills while deepening their understanding of geography's features and significance.

Fun with Filters

Grade III students enthusiastically explored water filtration by designing layered filters with cotton, sand and stones. This exciting, interactive activity sparked curiosity and highlighted the vital importance of clean water.

Meet the Helpers

Grade IV students interviewed the school support staff, asking thoughtful questions to learn about their work and challenges. This interactive activity fostered empathy, respect, communication skills and appreciation for their valuable contributions.

Postcards to the Peaks

Grade IV students created beautiful postcards for their imaginary friend living in the Himalayas, showcasing majestic mountains, serene valleys, unique wildlife and rich cultural heritage. This engaging activity deepened their appreciation for the breathtaking beauty of the Himalayas.

माँ और मेरी रचना

माँ और मेरी रचना विषय पर आयोजित रचनात्मक गतिविधि में बच्चों ने अपनी माताओं के साथ मिलकर कविताएँ लिखीं और प्रस्तुत कीं। उन्होंने अपनी भावनाओं को सरल, मधुर और प्रभावशाली शब्दों में व्यक्त किया, जिसमें माँ के प्रति प्रेम, त्याग और स्नेह की गहराई झलकती थी। इस अनुभव ने न केवल उनके लेखन कौशल को बढ़ाया, बल्कि बच्चों को माँ के साथ अपने संबंधों को और गहराई से समझने का अवसर भी दिया। उनकी उत्साही भागीदारी ने इस आयोजन को अत्यंत सफल और यादगार बना दिया।

Strolling Down Odd and Even Lane

Our young mathematicians creatively explored even and odd numbers by parking colorful car cut-outs on Even Street or Odd Street. This hands-on activity helped them understand concepts while making learning fun and engaging.

Disasters Decoded

Our students from Grade V explained earthquakes, volcanoes, cyclones and droughts through models and displays. The activity enhanced presentation skills while fostering awareness about natural disasters, their impact and preparedness.

अंकों का खेल

कक्षा ५ के विद्यार्थियों ने 'अंकों की बनावट और लेखन' गतिविधि में भाग लेकर संख्याओं को सही रूप में लिखने और उनकी बनावट को पहचानने का अभ्यास किया। इस रोचक गतिविधि ने बच्चों के लेखन कौशल, एकाग्रता और गणितीय समझ को और अधिक मजबूत किया।

8

7

My Fictional World

Grade V learners envisioned enchanting worlds with magical realms, futuristic cities and mystical forests. The activity fostered imagination, storytelling and expression while cultivating originality, creativity and confidence in presenting their imaginative ideas.

Fraction Feast

Our exciting Pizza Party made learning fractions a truly memorable treat! Students joyfully sliced and shared pizzas, exploring halves, thirds and quarters through a fun, hands-on experience that blended math with mouthwatering delight.

Blowing Balloons

Our Grade V young scientists transformed an ordinary bottle into a mini science lab! By mixing vinegar and Eno, they triggered a fizzy chemical reaction that released carbon dioxide, inflating a balloon like magic. Their excitement was evident as they witnessed science in action.

शब्दों की जादूगरी

कक्षा ६ के बच्चों ने शब्दों की जादूगरी गतिविधि में भाग लेकर अपनी भाषा-ज्ञान और स्मरण शक्ति का प्रदर्शन किया। इस रोचक प्रतियोगिता में विद्यार्थियों ने दिए गए शब्दों की सही वर्तनी बोलकर न केवल अपनी वर्तनी शुद्धता को मजबूत किया, बल्कि आत्मविश्वास और प्रतियोगितात्मक भावना भी बढ़ाई।

ममता की मूरत

कक्षा ७ में आयोजित “ममता की मूरत – मेरी माँ” पोस्टर गतिविधि में विद्यार्थियों ने रंगों और शब्दों के माध्यम से अपनी भावनाएँ व्यक्त कीं। सुंदर चित्रों और प्रेरणादायक संदेशों से सजे पोस्टरों ने सभी के हृदय को छु लिया और माँ के प्रति सम्मान और प्रेम को जीवंत रूप में प्रस्तुत किया।

All About Me

The All About Me activity provided our young wonders with an exciting opportunity to express their hobbies, favorite things, family and dreams. It was a vibrant celebration of individuality, highlighting the distinct personality of every student.

Flute of Joy

Our spirited MRGians celebrated Janmashtami with creative headbands adorned with peacock feathers, reflecting Lord Krishna's symbolism. The festivities united students in cultural celebration and shared happiness.

कल्पना के पंख

कक्षा ८ में आयोजित कहानी लेखन गतिविधि में विद्यार्थियों को कई विषयों के विकल्प दिए गए। प्रत्येक समूह ने मिलकर अपने चुने हुए विषय पर रचनात्मक और रोचक कहानी तैयार की। बच्चों ने अपनी कल्पना, भाषा और विचारों का सुंदर प्रयोग कर कहानियों को जीवंत और प्रभावशाली बनाया।

Flame Free Feast

Our Little Chefs took part in the Flame-Free Feast, discovering safe and imaginative ways to cook. Collaborating in teams, they combined creativity and teamwork, transforming cooking into an engaging and hands-on learning adventure.

Mentor's Mania

Our grateful MRGians expressed love and appreciation through handmade cards, celebrating the guidance and support of their mentors. The heartfelt gestures highlighted respect, admiration and the pivotal role of teachers in shaping young lives.

Leaf & Life

During Van Mahotsav, our enthusiastic learners came together to promote greenery and highlight the importance of trees. Through vibrant thumb painting activities, they expressed creativity while emphasizing environmental conservation and the role of plants in sustaining life.

Knot of Love

Our enthusiastic learners dove into creating beautiful handmade rakhis, sharing their love and thoughtfulness through each design. Our compassionate learners honored the bonds of affection, spreading joy and strengthening connections with their peers.

Exploring Flower Anatomy

Grade XI Biology students engaged in an exciting exploration of flower anatomy by dissecting hibiscus flowers. Through this hands-on investigation, they closely observed sepals, petals, stamens and pistils, gaining a deeper understanding of flower morphology and the fascinating process of plant reproduction.

Subject Week Chronicles

French

From 14th to 18th July, our school came alive with the colors, sounds and charm of the French language during French Week. The week was a vibrant journey into French culture, creativity and communication, designed to make learning the language engaging and joyful.

French Week was not only about competitions but also about celebrating language as a bridge—a bridge to new cultures, new friendships and new ways of thinking. By speaking, listening and playing in French, our students discovered that language learning is more than memorizing words; it is about developing creativity, confidence and global awareness.

Social Science

MRG School commemorated Social Science Week from August 18 to 22, 2025, with the captivating theme "Where History talks, Geography walks and Civics acts!" Students from Nursery to Class XII showcased their ingenuity and erudition through an array of engaging activities. From crafting intricate monuments to map scavenger hunts, living timelines and thought-provoking youth parliament debates, each class participated in innovative events. Senior students delivered poignant performances and created evocative art for social awareness. The week culminated on a resounding note, inspiring students to think critically, act responsibly and appreciate the transformative power of Social Science in shaping a more enlightened and equitable future.

संस्कृत

एम.आर.जी. स्कूल, रोहिणी में ४ से ८ अगस्त २०२५ तक संस्कृत सप्ताह उत्साह, उल्लास और रचनात्मकता के साथ मनाया गया। पूरे सप्ताह विद्यार्थियों ने श्लोक वाचन, चित्रकला, नाट्य प्रस्तुति, लेखन प्रतियोगिता और प्रश्नोत्तरी जैसी विविध गतिविधियों में भाग लेकर अपनी प्रतिभा और संस्कृत भाषा के प्रति प्रेम प्रदर्शित किया। विद्यालय का वातावरण संस्कृतमय बना रहा और विद्यार्थियों के जोश ने यह संदेश दिया कि संस्कृत वास्तव में हमारी संस्कृति की आत्मा और सभी भाषाओं की जननी है। "जयतु संस्कृतम्, जयतु एम.आर.जी., जयतु भारतम्।"

हिन्दी

हिंदी सप्ताह पूरे उत्साह, जोश और रचनात्मकता से परिपूर्ण रहा। छात्रों ने कविता, नाटक, चित्रकला, वाद-विवाद और खेलकूद जैसी विविध गतिविधियों में अपनी प्रतिभा का उत्कृष्ट प्रदर्शन किया। पूरे सप्ताह विद्यालय का वातावरण उल्लास, सहयोग और सीखने की भावना से भरा रहा। इस विशेष अवसर पर माताओं ने भी अपने बच्चों के साथ मिलकर कविता, कहानी, चित्र और अन्य स्वरचित रचनाएँ रचीं। जिससे कार्यक्रम में और अधिक अपनापन, प्रेम और परिवार की सहभागिता जुड़ गई। प्रश्नोत्तरी, संवाद, नाट्य मंचन और सांस्कृतिक प्रस्तुतियों ने इसे यादगार बना दिया। हिंदी भाषा के प्रति छात्रों में प्रेम और जागरूकता बढ़ाने वाला यह सप्ताह न केवल मनोरंजन का अवसर बना, बल्कि सीखने और आत्मविश्वास बढ़ाने का भी बेहतरीन मंच साबित हुआ।

The Learning Spectrum : Staff and Students in Action

Championing Mental Well-being in Education

We take pride in sharing that our esteemed Principal, Ms. Anshu Mital, was invited as a CBSE Resource Person for a one-day workshop on Mental Health. In her insightful session, she highlighted the significance of emotional well-being and offered practical strategies to foster resilience among students and educators. The workshop proved truly enriching, inspiring participants to embrace mental health as a cornerstone of holistic growth and meaningful learning.

Advancing School Health & Wellness

We are delighted to share that our Principal, Ms. Anshu Mital, participated in the Training of Prospective Resource Persons for the School Health and Wellness Programme, held from 21st to 25th July 2025 at the NCERT campus, New Delhi, in collaboration with UNESCO and CBSE. The workshop provided valuable insights into implementing health and wellness education across schools. It was an enriching experience interacting with educators from diverse institutions, fostering shared learning and innovative strategies for student well-being.

International Conference on Sustainability Education

Representing our school with pride, Ms. Pooja Goel, PGT Biology, and Ms. Sucharita Mehta, an elementary teacher, attended the 7th International Conference on Sustainability Education (ICSE) 2025 at the India Habitat Centre, New Delhi. They engaged in enriching discussions on green jobs, sustainability education and the crucial role of STEM in shaping a sustainable future.

Building Cyber Awareness

Ms. Kanika Sharma, PGT Computer Science and a CBSE Resource Person, successfully facilitated a comprehensive one-day Capacity Building Programme on Cyber Safety & Security at Chand Rama Public School, Delhi. Through engaging and interactive sessions, she empowered 80 educators with essential knowledge and practical skills to confidently guide students in navigating the digital world safely and effectively.

Strengthening Partnerships for Holistic Growth

Ms. Nupur Gupta, TGT Social Science, had the honour of serving as a Resource Person for the CBSE Teacher Training on Educating Parents about Education hosted at Royal International School, Kotla Vihar Phase II. The session was an enriching exchange of ideas with dedicated educators, focusing on strengthening the school–teacher–parent partnership for children's holistic growth.

Our Educators at the CBSE RP Meet

Ms. Khusboo Gupta, Ms. Pooja Goel, and Ms. Latika Sharma proudly represented our school at the RP Meet organized by the CBSE Centre of Excellence, Delhi West. The event was a vibrant hub of dynamic discussions, collaborative learning and valuable knowledge sharing among educators. Their participation underscored our school's unwavering commitment to advancing teaching excellence and embracing continuous professional development in harmony with CBSE's visionary initiatives.

Exploring Careers in Aviation

Captain Teena Singhal, a seasoned pilot with over 15 years of flying experience, led an inspiring workshop on Careers in Aviation for Grades X and XII. With passion and expertise, she unveiled exciting aviation roles, essential scholarships and key entrance exams, opening students' eyes to rewarding, well-paid career paths. Her personal stories and industry insights truly motivated the students, sparking enthusiasm for soaring high in the thrilling world of aviation.

Nationals Triumphs

MRGians Strike Gold & Bronze at Nationals!

In a resplendent display of skill and perseverance, MRG School proudly celebrates its Taekwondo prodigies at the CBSE National Championship 2025, Etawah. Anshika Gupta of Grade X and Hardik Verma of Grade IX ascended the podium with shimmering Gold, while Aarav Yadav of Grade IX earned a laudable Bronze. Their triumphs embody excellence, resilience and the indomitable spirit of true champions.

MRGians Set the Pitch Ablaze!

With hearts brimming with pride, MRG School celebrates the stellar achievement of Uday Chawla of Grade XII and Ridhiman Saini of Grade IX, who have bagged the bronze medal and earned their place in the Delhi CBSE Cricket Nationals. Their grit, determination and sporting brilliance have carved a shining moment of glory, inspiring every MRGian to dream bigger and aim higher.

Art That Echoed Across the Nation

With brushstrokes of brilliance, Garvit Chopra of Grade XI etched his name in glory by winning first place in the National Level Art Competition – Shauryavaan Bharat. His artistic excellence earned him the honour of being a Special Guest at the Independence Day celebration at Red Fort — a true testament to talent, dedication and national pride.

ZONALS 2025

Mansha Roy of Grade XI showcased her exceptional musical talent at the Cultural Zonals, securing the II Position in Music Percussion in the Senior Category. Her rhythmic precision, passion for music and dedication shone brightly, earning her well-deserved recognition.

Vaishnavi Varshney of Grade XI demonstrated sharp presence of mind and eloquence at the Cultural Zonals, securing the II Position in English Extempore. Her clarity of thought and confident delivery earned appreciation, reflecting her excellence in oratory and communication skills.

Anushka Sharma of Grade IX captivated the audience at the Cultural Zonals, securing the II Position in Hindi Declamation. Her powerful delivery, impactful content and confident stage presence highlighted her passion for oration and ability to inspire through words.

Khushi of Grade VIII displayed remarkable energy and control at the Cultural Zonals, securing the III Position in Music Percussion in the Junior Category. Her performance reflected creativity and discipline, leaving a lasting impression and highlighting her budding excellence in music.

Utkarsh Gupta of Grade VIII impressed the audience at the Cultural Zonals by securing the II Position in English Poetry Recitation. His heartfelt verses and ability to express emotions with clarity showcased his creativity, strong command over language and immense literary potential.

Aryan Yadav of Grade VIII displayed artistic brilliance at the Cultural Zonals, winning the II Position in Sculpture in the Junior Boys Category. His creativity and craftsmanship stood out, as he transformed ideas into a masterpiece, bringing honor to the school.

M

R

G

Ananya Srivastava of Grade VIII expressed her artistic flair at the Cultural Zonals, securing the III Position in Painting in the Junior Girls Category. Her imaginative use of colors and precision earned appreciation, showcasing her vibrant creativity and budding artistic talent.

Druhi Nigam of Grade I won the first position in the Be a Celestial Body Speaking Competition using waste material at HRM Global School, where her innovative imagination turned waste into wonders, earning her a shining victory.

Ashvi Somani of KG won the third position in the Rhyme Recitation Competition at HRM Global School, where her melodious verses and charming expressions captivated the audience.

Rehanshi and Sanvi Aggarwal of Grade III showcased their creativity and secured the third position in the Galactic Creation, Science Competition at HRM Global School, where their innovative galaxy models reflected both imagination and scientific curiosity.

Our school choir showcased its exceptional musical talent by winning the first position in the Future Frequency competition organized by VSPK International School, where the harmonious symphony echoed excellence and left the audience spellbound.

Inter-School

Sanvi Somani and Aadya Somani of Grade IV bagged the third position in Amalgamation organized by Maxfort School, Pitampura, where their collaborative creativity stood out and earned them well-deserved recognition.

Evelyn Goel of Grade III and Namish Kukreja of Grade IV transformed waste into creativity, securing third place in the ArtBots competition organized by VSPK International School, where their artistic robots reflected innovation with a touch of sustainability.

Vivaan Khurana of Grade X earned an honourable mention in the WHO Committee at GD Goenka MUN 3.0, where he displayed commendable debating skills and diplomatic reasoning, marking his strong presence as a budding global leader.

Panav Gupta of Grade VIII, along with Poshika Jha and Advita Chawla of Grade VII, clinched the first position in the French Inter-School Event, Rires en Paix at GD Goenka School, where their flair for language and creativity shone brilliantly, celebrating the beauty of cultural expression.

Yashika Nagar, Prisha Bindal, Pihu Mittal and Paarth Gupta won the third position in the Future Tycoons competition hosted by HRM Global School, where their entrepreneurial ideas reflected innovation and teamwork, proving their potential as business leaders of tomorrow.

Shivin Garg of Grade VIII and Kanishk Garg of Grade VII impressed with their mathematical talent, earning the third position in the Bingo Beat Challenge hosted by Doon Public School, where their quick calculations and logical thinking set them apart, adding yet another feather to the school's cap.

Shaarav Taneja and Devansh Garg of Grade IX demonstrated their IT expertise by winning the third position in the competition Whisper of Ghibli organized by Maxfort School, Pitampura, where their technical skills and creativity were widely appreciated, showcasing their prowess in the digital world.

Kinshuk Bhutani and Panav Gupta of Grade VIII showcased their eloquence by securing the first position in Echoes of Expression-Podcast organized by VSPK International School, where their confident voice and thoughtful expression impressed the judges, reflecting their command over words and ideas.

Accomplishments

Sara Chaubey, Devanshi Sharma and Devyanshi Garg of Grade VI bagged the first position in Cuisine San Feu, a French competition hosted by VSPK International School, where their culinary innovation without fire left an indelible mark, blending creativity with skill.

Sanvi Kapoor of Grade X displayed her poetic prowess and secured second place in the Weaving Peace Through Verse competition at DAV Pushpanjali, where her heartfelt lines echoed the essence of harmony and hope, leaving a lasting impression on the audience.

Ishleen Kaur of Grade XI demonstrated her creativity and scientific aptitude by achieving second position in the Quantum Science Comic Strip competition held by DAV Pushpanjali, where her illustrations beautifully blended knowledge with imagination, establishing her as a keen learner with artistic vision.

Simran Jain, Kritika Jain, Ananya Malik and Sanvi Kapoor of Grade X excelled in the event- Science & Technology for Sustainable Future-a radio show organized by VSPK International School. Their outstanding performance highlighted innovative solutions for today's environmental challenges while inspiring hope for a greener future.

Aanya Shukralia and Kavya Sharma of Grade VI showcased their rhythmic flair and lyrical talent at the Rap Yudh competition organized by Maxfort, Pitampura, where their energetic performance and creative verses earned them the first-place title.

Tanishka of Grade IX and Shruti Sharma of Grade X impressed the audience with their innovative ideas at the Pitch Your Invention competition organized by Maxfort, Pitampura, where their creative presentation and problem-solving skills helped them secure the first-place award.

Niyanshi of Grade X brought pride to MRG School by being awarded Best Performer in the Senior Category (Grades IX–XII) at the Poem Recitation Competition held at Vidya Jain Public School. Her expressive performance left a lasting impact!

Our proud MRGians, Ishleen Kaur and Asmi Gupta of Grade XI made us proud by securing the third position in the interschool event-Growth Chronicle, hosted by Bal Bharti Public School. Their achievement reflects dedication, creativity and the true MRG spirit of excellence.

Inter-School Accomplishments

Kiaan, Kritanya, Naisha and Namish of Grade IV sang their way to glory, securing the second position in the English Jingles Competition-Peace Promoters at Himalaya Public School, Rohini, where their harmonious voices and heartfelt lyrics beautifully conveyed the message of peace.

Niyanshi Goyal of Grade X bagged the second position in the English competition "Quasi TEDx" organized by Himalaya Public School, Rohini, where her compelling speech on the theme of peace and confident delivery captivated the judges and audience alike.

Asmi Gupta of Grade XI showcased her exceptional analytical abilities and deep understanding of psychological concepts to secure the second position in the event Ordeal to Elixir, held at Himalaya Public School, Rohini. Her insightful approach and thoughtful responses impressed the judges, highlighting her keen intellect and dedication to the subject.
